In *The Throne of Caesar*, award-winning mystery author Steven Saylor turns to the most famous murder in history . . . It's Rome, 44 BC, and the Ides of March are approaching. Julius Caesar has been appointed Dictator for life by the Roman Senate. Having pardoned his remaining enemies and rewarded his friends, Caesar is now preparing to leave Rome with his army to fight the Parthian Empire. Gordianus the Finder, after decades of investigating crimes and murders involving the powerful, has finally retired. But on the morning of March 10th, he's summoned to meet with Cicero and Caesar himself. Both have the same request - keep your ear to the ground, ask around, and find out if there are any conspiracies against Caesar's life. Caesar, however, has one other important matter to discuss - he is going to make Gordianus a Senator when he attends the next session on the 15th of March. With only four days left before he's made a Senator, Gordianus must dust off his old skills and see what conspiracy against Julius Caesar, if any, he can uncover. Because the Ides of March are approaching... aristocratic Pinarius family, from the reign of Augustus to height of Rome's empire. The Pinarii, generation after generation, are witness to greatest empire in the ancient world and of the emperors that ruled it—from the machinations of Tiberius and the madness of Caligula, to the decadence of Nero and the golden age of Trajan and Hadrian and more. Empire is filled with the dramatic, defining moments of the age, including the Great Fire, the persecution of the Christians, and the astounding opening games of the Colosseum. But at the novel's heart are the choices and temptations faced by each generation of the Pinarii. Steven Saylor once again brings the ancient world to vivid life in a novel that tells the story of a city and a people that has endured in the world's imagination like no other.

The Judgment of Caesar Penguin
Steven Saylor's Roma Sub Rosa series of novels, set in the late Roman Republic and featuring Gordianus the Finder, has garnered unusual acclaim from readers and reviewers alike, establishing him as one of the pre-eminent historical crime writers. In *A Gladiator Dies Only Once*, the second collection of his award-winning stories featuring Gordianus, Saylor more than meets his own high standards. Set during period between the events of his novels *Roman Blood* and *Catalina's Riddle*, these previously untold adventures range from twisted search for truth behind a threatening blind item in the *Acta Diurna* ("The Consul's Wife") and a kidnapping and murder during the revolt of Sertorius ("The White Fawn") to the story behind Cicero's discovery of Archimedes's tomb ("Archimedes Tomb") and a perplexing domestic situation in Gordianus's own home ("If a Cyclops Could Vanish in a Glimpse of an Eye.") These tales from the early career of Gordianus - when his adopted son Eco was still a mute boy and his wife Bethesda was but his slave - will delight Saylor's many fans while illuminating the details of the ancient world like no other writer can.

A Twist at The End Minotaur Books
Spanning a thousand years, and following the shifting fortunes of two families though the ages, this is the epic saga of Rome, the city and its people. Weaving history, legend, and new archaeological discoveries into a spellbinding narrative, critically acclaimed novelist Steven Saylor gives new life to the drama of the city's first thousand years — from the founding of the city by the ill-fated twins Romulus and Remus, through Rome's astonishing ascent to become the capitol of the most powerful empire in history. Roma recounts the tragedy of the hero-traitor Coriolanus, the capture of the city by the Gauls, the invasion of Hannibal, the bitter political struggles of the patricians and plebeians, and the ultimate death of Rome's republic with the triumph, and assassination, of Julius Caesar. Witnessing this history, and sometimes playing key roles, are the descendents of two of Rome's first families, the Potitius and Pinarius clans: One is the confidant of Romulus. One is born a slave and tempts a Vestal virgin to break her vows. One becomes a mass murderer. And one becomes the heir of Julius Caesar. Linking the generations is a mysterious talisman as ancient as the city itself. Epic in every sense of the word, Roma is a panoramic historical saga and Saylor's finest achievement to date.

It is 48 B.C. For years now, the rival Roman generals Caesar and Pompey have engaged in a contest for world domination. Both now turn to Egypt, where Pompey plans

a last desperate stand on the banks of the Nile, while Caesar's legendary encounter with queen Cleopatra will spark a romance that reverberates down the centuries. But Egypt is a treacherous land, torn apart by the murderous rivalry between the goddess-queen and her brother King Ptolemy. Into this hot-house atmosphere of intrigue and deception comes Gordianus the Finder, innocently seeking a cure for his wife Bethesda in the sacred waters of the Nile. But when his plans go awry, he finds himself engaged in an even more desperate pursuit - to prove the innocence of the son he once disowned, who stands accused of murder. The judgment of Caesar will determine the fate of Gordianus's son; the choice Caesar makes between Cleopatra and her brother Ptolemy will determine the future of Rome's empire. At the center of these two dilemmas, Gordianus becomes the unwitting fulcrum that will shift the balance of history. Witness to the death throes of the old world, he is to play a critical role in the birth of the world to come. Drawing scrupulously on historical sources, this is the most ambitious novel yet in Steven Saylor's Roma Sub Rosa series. Saylor presents a bold new vision of Caesar and paints a compelling and original portrait of Cleopatra, amid bloodshed, battles and storms, in a setting of Egyptian magic and mystery.

The Confessions of Young Nero Osprey Publishing
The Julio-Claudian family possessed all the brutality and dysfunctionality of the Sopranos, but with fewer (or no) constraints on their power to injure outsiders or each other. From this raw material Robert Graves brilliantly recreates a world of power, intrigue and cruelty, a world permeated through and through with the threat of sudden and violent death. In the process he raises striking, sometimes unanswerable questions: was Tiberius really as depraved as Suetonius suggests? Was Livia the true power behind Augustus' throne? And did she really poison all those people? Did Caligula seriously plan to make his horse a consul? Whether or not we can answer these questions, this was certainly a world in which such things could happen.With an Afterword by Tom Griffith.
