Employee Performance Review Digital Documents

The employee performance review is an annual or bi-annual happening in which the employee is rated on their performance. This performance review is part of the performance management cycle. This cycle starts with personal goal setting. Personal goals should be aligned with team goals, which in turn, should be aligned with the goals of the company. When this is the case, good performance for the employee means a boost to team performance, and (in turn) a small boost to organizational performance.

17 Performance Review Templates to Motivate Employees

A performance review, also referred to as a performance evaluation or employee review form, is a means of collecting relevant employee data with regards to their output for performance evaluation. Given that employee performance reviews are assessed consistently, performance reviews are periodic in that their details are collected and reviewed on a constant basis.

13+ Performance Review Form Examples - PDF | Examples

A performance review, also called a performance evaluation or performance appraisal, is an assessment where supervisors review an employee's performance at work. Throughout the performance review, a supervisor will identify employee's strengths and weaknesses, set goals and offer feedback for future performance.

A performance review will highlight the areas where they excel and the areas they need to work on. If you are not reviewing your team on a regular basis it is highly likely that they are under-performing. The direct result of this is less profit.

Don't under-estimate the power of completing regular performance reviews.

17 Powerful Performance Review Examples (+ Expert Tips)

In conducting reviews for the employee's performance evaluation, all important data, facts, and information should be documented, because the documents serve as future references, most especially when the particular employee's performance comes to a discussion. Having the complete records, employees' overall performance and progress are determined.
