Employment Discrimination Law is an innovative new skills-based text designed for flexible use. To add a skills component to lecture courses, it can be used in conjunction with traditional casebooks, and is also an ideal text for a free-standing practicum or seminar. Employment Discrimination Law functions as a "course in a box" providing readers with basic background law, including constitutional and statutory law governing the employment relationship; general drafting principles important to lawyers in any field as well as an overview of drafting issues specific to employment discrimination law; an introduction to the key research strategies and sources; an overview of the ethical issues likely to arise; and a solid preview of client counseling, negotiation strategy, and preventative lawyering. The text features a combination of text, sample documents, checklists, charts, and exercises. These well-crafted exercises, for students to complete individually or in groups, range from discrete questions to be researched and answered in a 5-minute small-group class session to much more detailed problems that could serve as final evaluative documents. Bennett-Alexander and Hartman's Employment Law for Business, 5/e addresses law and employment decisions from a managerial perspective. It is intended to instruct students on how to manage effectively and efficiently with full comprehension of the legal ramifications of their decisions. Students are shown how to analyze employment law facts using concrete examples of management-related legal dilemmas that do not present clear-cut solutions. The methods of arriving at resolutions are emphasized, so that when the facts of the workplace problem are not quite the same, the student can still reach a good decision based on the legal considerations required by law, which remain relevant.

During the next 10 years, an estimated 40-50 percent of the partners in public accounting firms will retire. This exodus will place an enormous intellectual and financial strain on firms as they scramble to train and promote new partners, retire the existing ones in an orderly manner, and find the profitability to do so in extraordinarily lean economic times. Beyond the Days of the Giants: Solving the Crisis of Growth and Succession in Today's CPA Firms is a practical, readable implementation guide for your firm to use during this next critical decade. It gives step-by-step guidance on how to: Create a growth culture founded in practitioner-led value creation, Build a no-new-cost practice system to operate within it, and Renew practitioner accountability, not to disappearing Giant-centered value creation systems, but to evidence-based value management practice led by our New Giants.

Key Cases: Employment Law Routledge

Employment Law 4e is the most complete and accessible introduction to the subject, suitable for students from a variety of backgrounds including HRM and business management. The expert author team combine a wealth of knowledge in teaching, examining, and practising employment law to ensure the reader has a firm understanding of legal principles, in both an academic and professional context. Case exhibits in every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its application in the real-world.

Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding of a subject that directly affects business managers and their employees.
