Every day, millions of people who don't know Jesus Christ as their Savior move farther down the dark road to destruction. But as international evangelist Reinhard Bonnke says, hell was never designed for people, and heaven is expecting them! Tens of millions of people have come to know Christ through Reinhard's ministry. In this book, he shares his contagious passion for bringing the gospel to the lost. Each chapter in *Hell Empty, Heaven Full* discusses biblical stories that highlight how God's priority is saving people and how He wants us to join Him in that process. As Reinhard says, "Our calling is to put a kind hand on the shoulder of the world and turn it round to see God. It will adore Him. The Lord is the Savior.... He loves because to love gives Him joy. He loves beyond all the parameters of human affection and makes even the assault of the cross an expression of His love. His pain asserts it. He finds satisfaction in giving, pouring Himself out to us, surrounding us with wonders, making His redeemed the garden of delight in which He walks. To proclaim the gospel is to move for Him, act with Him, love in Him, and delight in His joy as the privilege, meaning and purpose of all life." Filled with vivid illustrations, this book is designed to show you how to reach the lost as Jesus did: with the passion and compassion

of the heavenly Father.

Wayne Cordeiro found himself paralyzed by burnout. He had been in ministry for 30 years, and 10 years after founding what is now the largest church in Hawaii, he found himself depleted. Wayne took a season out of his growing ministry to recharge and refocus on the truly important. He was able to get back in touch with his life, get back in proper balance, and re-energize his spirit through Christ in a way that propelled him forward to greater levels of service. Wayne first gave this message at a recent Willow Creek Leadership Summit, where it was the highest-rated presentation by those in attendance. Pulling no punches, Wayne talks about the walls leaders must break through and how to move on with integrity. Included are ways to care for oneself physically and emotionally as well as spiritually.

"I was hungry and you gave me no food, I was thirsty and you gave me no drink, I was a stranger and you did not welcome me, naked and you did not clothe me, sick and in prison and you did not visit me." Matthew 25:42-43 ESV In many Bibles, Christ's words are set apart with a red font. It should be obvious, but this distinction helps remind us that when God becomes Man and that Man speaks—it's probably something we cannot afford to miss. So why doesn't the church take these "red letters" to heart? Why aren't we doing more to be Christ's hands and feet to the poor, the disenfranchised, the weary, the ill, the fatherless, the prisoners? It's all there—in red letters. Why has the Church shirked its responsibilities, leaving the work to be done by governments, rock stars, and celebrities? The

Gospel wasn't only meant to be read—it was meant to be lived. From the HIV crisis in Africa to a single abused and lonely child in Russia, the Church must seize the opportunity to serve with a radical, reckless abandon. Author Tom Davis offers both challenge and encouragement to get involved in an increasingly interconnected, desperate modern world.

Hell Empty, Heaven Full WaterBrook

In this book, "How to Avoid Empty Faith and Jesus' Revelation About Genuine Faith That Brings Results"; you will learn the following: 1. How empty faith has caused a lot of pain to Christians worldwide (normal believers and prominent ministers) 2. Understanding the confusion between empty faith and genuine faith 3. Discerning and knowing what genuine faith is, and how to test whether you have it in a specific situation or not 4. Three main characteristics of genuine faith in Christ 6. What is the Mustard Seed Faith? 7. How to know the limits of your faith 8. Things that nullify genuine faith and lead you into empty faith 9. The Glory of God Being With Us in What We Do or Experience 10. The stunts we have: if I were in Daniel's trial (case Study) 11. How is God the author of faith? 12 What is Mixing the promise with faith and How do we fail to mix promises with faith? 13. Understanding the meaning of living by faith, how to live by faith, 14. and how to live by the Spirit of God. Thought out this book; we uncover the Secret Behind Unfulfilled Declarations, Prophecies, and Hopes for Prominent Preachers and Believers Alike. Also, we will be taking examples of Failed prophecies of Donald Trump being re-elected in 2020 and Failed declarations and prophecies about Covid19. Exposing the reason behind widespread shame to popular preachers and the empty faith practices that profane the name of Jesus and the Christian faith in general. ___ Let's be honest: I would estimate that if all our grand words we declare as Christians came true, we would be the wealthiest people on earth today, holding all the high-ranking positions in offices, having no one among us seeking employment, and controlling all political leadership. Every Sunday, we proclaim great words of success, exaltation, and being more than conquers in every aspect of our life. But surprisingly, someone who doesn't even go to

church, doesn't have Jesus, doesn't know the prayer, and doesn't practice witchcraft can outperform a Christian in the tomato business. And the strange thing is, it seems that those grand declarations do not come true in proportion to their number and compared to ordinary people who do not make such declarations. Where is the problem? Where are we failing? So, I saw that "there is a problem somewhere." And we are turning a blind eye to the problem, not wanting to ask ourselves questions. So, we keep making the same mistake over and over again, hoping for different results. This book solves that problem while exposing our many false teachings about faith and revealing the true meaning of the Christian faith.

Counting Stars in an Empty Sky Moody Publishers
This book is the fruit of Fr. Dubay's many years of study and experience in spiritual direction and in it

he synthesizes the teachings on prayer of the two great doctors of the Church on prayer--St. John of the Cross and St. Teresa of Avila--and the teaching of Sacred Scripture. But the teaching that Fr. Dubay synthesized is not collected from Teresa and John for contemplatives alone. It is meant for every Christian and is based on the Gospel imperative of personal prayer and the call to holiness. All the major elements of these great teachers are ordered, commented on and put in the context of their scriptural foundations. Here is an outstanding book on prayer and the spiritual life written by one of the best spiritual directors and retreat masters of our time, and based on the writings of the Church's two greatest mystical doctors.

Empty Out the Negative Multnomah

A beloved pastor and a New York Times bestselling author examine scripture and share inspiring personal stories to help reveal the important role that Jesus ’ resurrection plays in our everyday lives. The Son of God was crucified, died and buried, and He lay in the tomb for three days—until He walked out shining like the sun. In a culture in which history is erased or rewritten at will, the existence of an empty tomb matters. Why? Because if the tomb is empty—then anything is possible. In his first book, Joby Martin, Lead Pastor of The Church of Eleven22, dives deep into scripture and traces the story of salvation by highlighting the seven mountains throughout scripture where God manifests himself. As he describes each encounter with God, Martin shows us how the interaction on each mountain laid the groundwork for the sacrifice of Christ on Calvary, and shows what God revealed about Himself in the process. He illuminates seven familiar passages, unveiling how God's plan for Christ's sacrifice is threaded throughout scripture, and shows why Christ's resurrection—impossible, unbelievable—means that nothing is too

hard for our God. Ultimately, he asks readers, Do you live every day of your life as if the tomb is empty—or as though Jesus is still hanging on that cross? Written with New York Times bestselling author Charles Martin, *If the Tomb is Empty* is an insightful and spiritually rich examination of what the miracle of Christ's resurrection means for all of us.

The Catholic Thing David C Cook

Foreword INDIES Award Finalist IVP Readers' Choice Award In an age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: "I'm gay." I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, "You are not a mistake." I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.

The Catholic "thing" - the concrete historical reality of Catholicism as a presence in human history - is the richest cultural tradition in the world. It values both faith and reason, and therefore has a great deal to say about politics and economics, war and peace, manners and morals, children and families, careers and vocations, and many other perennial and contemporary questions. In addition, it has inspired some of the greatest art, music, and architecture, while offering unparalleled human solidarity to tens of millions through hospitals, soup kitchens, schools, universities, and relief services. This volume brings together some of the very best commentary on a wide range of recent events and controversies by some of the very best Catholic writers in the English language: Ralph McInerny, Michael Novak, Fr. James V. Schall, Hadley Arkes, Robert Royal, Anthony Esolen, Brad Miner, George Marlin, David Warren, Austin Ruse, Francis Beckwith, and many others. Their contributions cover large Catholic subjects such as philosophy and theology, liturgy and Church dogma, postmodern culture, the Church and modern politics, literature, and music. But they also look into specific contemporary problems such as religious liberty, the role of Catholic officials in public life, growing moral hazards in bio-medical advances, and such like. The Catholic Thing is a virtual encyclopedia of Catholic thought about modern life.

Uninvited Bible Study Guide Baker Books

With Empty Hands is an entirely new translation and edition of Conrad de Meester's brilliant and moving presentation of the life, thought and spirituality of St. ThTrFse of Lisieux. The author has

completely revised and amplified his previous books on the saint in the light of the new, thoroughly annotated editions of her own works, and the many recent works of research and commentary that have led him to develop and change some of his interpretations of the Saint's life. Fr. de Meester asks why and how this young girl who asked to be admitted to the Carmel at Lisieux and persevered in her vocation to a hidden life in an obscure part of France, is not only loved and invoked by millions of people, but has become a profound influence on theology, spirituality and the missionary apostolate. He shows how the intuitions of her faith were achieved by growing from spiritual poverty to spiritual maturity through much suffering and in spite of many crises and reversals and pays full attention to the psychology of the Saint, her family influence and her prayer life and faith as a process of extraordinary rich development. This book reveals ThTrFse as a Saint of hope whose constant watchword was "My God, I love you" and as a revolutionary of love through whom God worked and works as a liberating force.
