From the New York Times bestselling author of *The House of the Spirits*, Isabelle Allende, comes a passionate tale of one young woman's quest to save her lover set against the chaos of the 1849 California Gold Rush. Orphaned at birth, Eliza Sommers is raised in the British colony of Valparaíso, Chile, by the well-intentioned Victorian spinster Miss Rose and her more rigid brother Jeremy. Just as she meets and falls in love with the wildly inappropriate Joaquín Andieta, a lowly clerk who

works for Jeremy, gold is discovered in the hills of northern California. By 1849, Chileans of every stripe have fallen prey to feverish dreams of wealth. Joaquín takes off for San Francisco to seek his fortune, and Eliza, pregnant with his child, decides to follow him. As Eliza embarks on her perilous journey north in the hold of a ship and arrives in the rough-and-tumble world of San Francisco, she must navigate a society dominated by greedy men. But Eliza soon catches on with the help of her natural

spirit and a good friend, the Chinese doctor Tao Chi'en. What began as a search for love ends up as the conquest of personal freedom. A marvel of storytelling, *Daughter of Fortune* confirms once again Isabel Allende's extraordinary gift for fiction and her place as one of the world's leading writers.

Muchos de los más grandes -compositores y arregladores de su tiempo estuvieron al servicio de Lucho Gatica, cuya impronta cruza la cultura popular y se expande desde la canción hacia el cine y la literatura. El detalle de esas	colaboraciones y la valoración y capital influencia sobre quienes lo siguieron en la música, son también parte de este recorrido que incluye fotos, datos y testimonios nunca antes publicados. «Es un honor saber que he contribuido con mis canciones a que la gente se ame y encuentre el amor, a que algunos se hayan atrevido a iniciar un romance. No concibo la música sin amor. Cantar boleros es una forma de amar, una declaración	directa a la pareja. El amor y la música siempre me acompañan». -Lucho Gatica <i>El Lirio en el valle</i> HarperCollins Profunda reflexión sobre la vida, las oportunidades y el amor de la mano de la protagonista de esta novela, Jimena. Cuando goza de lo que para muchas personas sería una situación privilegiada (buen estatus económico y social, hijos mayores e independientes), Jimena, se siente más sola que nunca. vivir, a sentir o ser la persona que en realidad es. Es entonces cuando toma conciencia de que es una desconocida para los suyos, que ha pasado lo mejor de su vida viviendo la vida de los que amaba, sin vivir la suya propia. La infidelidad de su marido, la pérdida de una de sus amigas y la «marcha» de su amante, la llevarán a replantearse muchos valores e ideales y retomar las riendas de su presente. **ENGLISH DESCRIPTION** A novel in which the feelings and emotional intrigue, together with social criticism soaked with irony and humor, make up a story that evokes great works

such as *Out of Africa*, *Fried Green Tomatoes*, *Like Water for Chocolate*, *The Bridges of Madison County* ... a contemporary story, endearing, funny and full of everyday reality that will not leave you indifferent and to which every woman, without exception, will be identified, and some men, only the chosen ones, will find the answers to many questions. An exciting story, close and overwhelming with which we feel the protective shadow of that magical red umbrella that shelters the *Witches of Eastwick*, nickname for Jimena and her two friends. *Water women*: sensitive, fragile and strong at the same time,

but above all, women.

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless

grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain

forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.
