An instant New York Times bestseller! An Indie Next Top 10 Pick A Parents' Choice Silver Honor Winner "A funny, action-packed, and sweet romance." —School Library Journal (starred review) "A phenomenal read." —RT Book Reviews A skilled painter must stand up to the ancient power of the faerie courts—even as she falls in love with a faerie prince—in this gorgeous bestseller that's "an ideal pick for fans of Holly Black, Maggie Stiefvater, and Laini Taylor" (Publishers Weekly, starred review). Isobel is an artistic prodigy with a dangerous set of clients: the sinister fair folk, immortal creatures who cannot bake bread or put a pen to paper without crumbling to dust. They crave human Craft with a terrible thirst, and Isobel's paintings are highly prized. But when she receives her first royal patron—Rook, the autumn prince—she makes a terrible mistake. She paints mortal sorrow in his eyes—a weakness that could cost him his life. Furious, Rook spirits her away to his kingdom to stand trial for her crime. But something is seriously wrong in his world, and they are attacked from every side. With Isobel and Rook depending on each other for survival, their alliance blossoms into trust, then love—and that love violates the fair folks' ruthless laws. Now both of their lives are forfeit, unless Isobel can use her skill as an artist to fight the fairy courts. Because secretly, her Craft represents a threat the fair folk have never faced in all the millennia of their unchanging lives: for the first time, her portraits have the power to make them feel.

If you have ever believed in a world beyond the everyday, this is the book to help you find it. A Complete Guide to Faeries and Magical Beings is a wonderful companion for those who wish to tour an enchanted world. Cassandra Eason begins with the myths, legends, and real evidence surrounding the origins and existence of fairies and then takes us on a journey throughout the world to introduce us to the many different varieties of these mysterious beings. From fairies to viking giants, selkies to gnomes, fey beings abound. In this spritely volume, Eason shares fascinating anecdotes of people who have actually seen them. And if you'd like to meet them yourself, Eason also provides simple techniques, exercises, and rituals to attract, find, and communicate with the little people. Hang silver bells by a window. Keep potted plants in your home. Or sit quietly between two oaks at dusk or dawn. Fairyland mirrors universal human issues: fortune versus misfortune, fate versus free will, perfection and imperfection, illusion and objective reality, different time scales, the existence of parallel dimensions, and the duality of human nature. Some people even believe that fairies are becoming more visible again, as they were in pre-industrial days, to remind us of the consequences of consumer society -- the danger of being seduced by our own versions of fairy gold. "If you want to be happy, be." -- Henry David Thoreau

Presents the lore and mythology of fairies from ancient times to the present, discussing beliefs about their origins, daily lives, powers, behavior, and connection to aliens; where they live; and how to see them. **Crystal Balls & Crystal Bowls** Random House

This collection of interconnected essays relates the Undead in literature, art and other media to questions concerning gender, race, genre, technology, consumption and social change. A coherent narrative follows Enlightenment studies of the vampire's origins in folklore and folk panics, the sources of vampire fiction, through Romantic incarnations in Byron and Polidori to Le Fanu's Carmilla. Further essays discuss the Undead in the context of Dracula, fin-de-siècle decadence, Nazi Germany and early cinematic treatments. The rise of the sympathetic vampire is charted from Coppola's film, Bram Stoker's Dracula, to Buffy the Vampire Slayer and Twilight. More recent manifestations in novels, TV, Goth subculture, young adult fiction and cinema are dealt with in discussions of True Blood, The Vampire Diaries and much more. Featuring distinguished contributors, including a prominent novelist, and aimed at interdisciplinary scholars or postgraduate students, it will also appeal to aficionados of creative writing and Undead enthusiasts. www.opengravesopenminds.com

Encountering Enchantment: A Guide to Speculative Fiction for Teens, 2nd Edition Mango

Known as the little people, the ferrishyn, the wee folk, and the good neighbors, faeries have enchanted humans for centuries. But faeries are much more than playful sprites who

frollic in gardens and dance on flowers by the morning light.

There are helper faeries, trickster faeries, and powerful faeries who enhance magick and play a mighty role in the spirit world. In *THE ANCIENT ART OF FAERY MAGICK*, best-selling author and magick authority D.J. Conway explores the history of the faery folk, discusses faery laws and lives, and reveals the ancient secret faery oracle. She shares spells for invoking faeries for aid in health, love, peace, prosperity, and protection, and she even describes how to build faery houses and gardens to invite these wonderful creatures into your home. A comprehensive tome on a bewitching subject, *THE ANCIENT ART OF FAERY MAGICK* will initiate you into a life filled with faery sparkle and pixie dust.
