When I was a kid in the late 1950s, while I was a student at Paoli Elementary School, I read the famous children's book that talks about the Kid from Leftfield. Also around that time, I always said to myself, "What is it going to be like in the year 2000? I'll be fifty years old!" I couldn't comprehend being that old; the thought of it scared me, and I'd probably be in a wheelchair or something worse. I bet a lot of people my age thought the same thing. This is the story of what that kid did when he reached the age of fifty.

In this "heartrending, passionate, and surprisingly humorous account of the conjunction between art and death" (Andrew Solomon, New York Times bestselling author), acclaimed opera singer Charity Tillemann-Dick recounts her remarkable journey from struggling to draw a single breath to singing at the most prestigious venues in the world after receiving not one but two double lung transplants. Charity Tillemann-Dick was a vivacious young American soprano studying at the celebrated Franz Liszt Academy of Music in Budapest when she received devastating news: her lungs were failing, her heart was three and a half sizes too big, and she would die within five years. Medical experts advised Charity to abandon her musical dreams, but if her time was running out, she wanted to spend it doing what she loved. In just three years, she endured two double lung transplants and had to slowly learn to breathe, walk, talk, eat, and sing again. With new lungs and fierce determination, she eventually fell in love, rebuilt her career, and reclaimed her life. More than a decade after her diagnosis, she has a chart-topping album, performs around the globe, and is a leading voice for organ donation. Weaving Charity's extraordinary tale of triumph with those of opera's greatest heroines, The Encore illuminates the indomitable human spirit and is "an uplifting story of overcoming significant odds to fulfill a dream" (Kirkus Reviews).

Learn to play 14 classic blues the best way-by doing! This book and CD provide your backup band as you explore Country and Urban, Acoustic and Electric, Delta, Texas, Chicago, Slide Guitar, Alternate Tuning, Traditional, and Modern styles in many different major and minor keys and in a variety of tempos. Melodies are first presented on the recording at a slow speed with just guitar, then repeated at regular speed with the band. Finally, you can play along with the hot blues rhythm section alone, and you've got the makings of a dynamite blues jam session. You'll play all the leads and solos! Repeat a tune or passage as many times as you want at slow or regular speed. We'll jam all night long! Beginners and intermediate players can practice basic skills. Advanced players can hone their improvisation chops. the split track recording allows you to hear either just the melody from one speaker, just the rhythm section from the other, or both for maximum flexibility and specific study. the book includes melodies, chord diagrams and guitar tablature.

SHORTLISTED FOR RUGBY BOOK OF THE YEAR AT THE BRITISH SPORTS BOOK AWARDS 'When I came into the Ulster team,' Stephen Ferris says with typical candour, 'we were crap'. It was, however, preferable to his day job of paving driveways, and that day in 2005 saw the start of an incredible journey for Ferris, Ulster and Ireland rugby. A Celtic League title in his very first senior season with Ulster. A Grand Slam in 2009, followed by a sensational Lions breakthrough. A starring role in Ireland's greatest World Cup win, over Australia in 2011, when Ferris famously picked up Will Genia and carried him ten yards. And leading Ulster from nowhere to the Heineken Cup final. Stephen Ferris had an incredible rugby career, tragically ended by ankle injuries so severe they will never properly heal. He is an inspiration to the population of Ulster, an emblem of the sport that serves as such a positive expression of its culture and identity, and earned the respect and admiration of fans across Ireland for his strength, pace, skill and courage. Fearless, funny and full of an incredible array of stories from behind the scenes of Ulster, Ireland and the Lions, this is the must-have rugby book of the year.

Ever wonder what it would be like to give it all up and head to Greenwich Village to become a singer-songwriter? In Reo MacGregor's eyes, his law degree represents a spiritual and aesthetic dead end. He leaves it all behind to follow his music to lower Manhattan's answer to Paris's Rive Gauche. There, he enters the bohemian scene of The Open Mike, where a new generation of singer-songwriters meets to sing for, and sometimes about, each other. At first alone amid the sea of guitar cases, he's inspired by the café's fellow performers and sirens. Homeless and broke, he struggles to honor his calling. For Reo, survival means chasing burglars down the fire escape, recording sessions uptown with one of New York's major record producers, or hanging out on the Village's famed MacDougal Street. But first, he has to earn the respect of the audience. "Rod MacDonald paid his dues in the coffeehouses of Greenwich Village during the 1970s and early '80s, and has caught the feel of the time and place in his new novel. For anyone who was in that place and time, it brings back memories vividly. For anyone who wasn't there, his writing gives a taste of what it was like." --David Bromberg

A consummate insider as the girlfriend of Lindsey Buckingham, Fleetwood Mac singer and guitarist, Carol Ann Harris leads fans into the very heart of the band's storms between 1976 and 1984. From interactions between the band and other stars--Mick Jagger, Eric Clapton, and Dennis Wilson--to the chaotic animosity between band members, this memoir combines the sensational account of some of the world's most famous musicians with a thrilling love story. The parties, fights, drug use, shenanigans, and sex lives of Fleetwood Mac are presented in intimate detail and illustrated with never-before-seen photographs. With the exception of one brief interview, Carol Ann Harris has never before spoken about her time with Fleetwood Mac.
