This field guide gives the

reader access to the largest parts store in the world for 1946-1948 Dodge Deluxe and Custom D24 models, with information from more than 200 aftermarket catalogs for Dodge parts made in the U.S.A. On-the-spot identification is made possible by part number listings, separating D24 parts from thousands of similar ones. Line drawings adapted from factory literature, brochures and advertisements illustrate the key features and details of parts as they would be found at swap meets or flea markets. Using this book in combination with the Internet, parts-hunters can quickly identify and acquire what they need online.
