2002 s type Cabin air filter -
engine air intake filter. I'm not

sure what the cabin filter is but the
air filter is straight forward. With
the hood open you should see the
air box just inside on the right
with the large induction hose
going across and to the engine.
The top of the air box should open
with a couple of hooks or clamps
and the air filter sits on top inside
the open box.
