Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do?

The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don ' t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever. Following the death of her military husband, Autumn Kauffman and her son, Cody, are seeking a fresh start in a new town. Between her full-time job as a physical therapist and keeping up with her active ten-year-old son, the last thing on her mind was dating. But when a new patient lands on her rotation schedule, she is knocked for a loop at their first meeting. The instant but unexpected attraction she feels for the handsome yet flirtatious Navy SEAL recovering from a gunshot wound leaves her unsettled. Despite the giddy flutters she feels in her belly with each encounter with the SEAL, she is hesitant to let down her guard for fear of history repeating itself. Can Autumn overlook her past and give in to her heart, or is it doomed to end in disaster? Navy SEAL Jack "Frost" Rhoades would kill to be anywhere other than the uncomfortable hospital bed he was laid up in with a bum leg. Before his orneriness lands him in trouble, an Irish Beauty enters his room, rendering him speechless. When the fiery redhead introduces herself as his physical therapist, his attitude does an about-face. Using his PT appointments to gather information on the single mom, Frost finds himself falling hard for his Irish Beauty. However, it seems he isn't the only person with his eye on Autumn. Neither Frost or Autumn are aware of a greedy tycoon, and a jealous psychopath has Autumn in their sights.

Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.
