Following the death of

her military husband, Autumn Kauffman and her son, Cody, are seeking a fresh start in a new town. Between her full-time job as a physical therapist and keeping up with her active ten-year-old son, the last thing on her mind was dating. But when a new patient lands on her rotation schedule, she is knocked for a loop at their first meeting. The instant but unexpected attraction she feels for the handsome yet flirtatious Navy SEAL recovering from a

gunshot wound leaves her unsettled. Despite the giddy flutters she feels in her belly with each encounter with the SEAL, she is hesitant to let down her guard for fear of history repeating itself. Can Autumn overlook her past and give in to her heart, or is it doomed to end in disaster? Navy SEAL Jack " Frost " Rhoades would kill to be anywhere other than the uncomfortable hospital bed he was laid up in with a bum leg. Before his orneriness lands him in

trouble, an Irish Beauty enters his room, rendering him speechless. When the fiery redhead introduces herself as his physical therapist, his attitude does an about-face. Using his PT appointments to gather information on the single mom, Frost finds himself falling hard for his Irish Beauty. However, it seems he isn't the only person with his eye on Autumn. Neither Frost or Autumn are aware of a greedy tycoon, and a jealous psychopath has

Autumn in their sights. **The Feel of the Road** e-artnow sro Lemon-Aid Used Cars and Trucks 20102011 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years of production. The Harbour Report Artisan

The automobile industry is evolving rapidly on a worldwide basis.

Manufacturers are merging, component design and manufacture are now frequently outsourced instead of

being created in-house, brands are changing and the giant auto makers are expanding deeper into providing financial services to car buyers. The skyrocketing price of gas spurs developments in hybrid technology and clean diesel, as manufacturers look for ways to improve fuel efficiency. Meanwhile, all of the biggest, most successful firms have become totally global in nature. Plunkett's Automobile Industry

Almanac will be your complete guide to this immense, fascinating industry. On the car dealership side, giant, nationwide holding companies have acquired the best dealers in major markets. Even the used car business is being taken over by national chains. E-commerce is having profound effects on the car industry. Consumers use the Internet to become better informed before making a purchase. Online sites like

Autobyte steer millions of car buyers toward specific dealers while the same sites deliver competing bids for cars, insurance and financing in a manner that lowers costs and improves satisfaction among consumers. Meanwhile, auto makers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting new book (which includes a database on CD-ROM) is a complete reference
