So I HAVE A 2002 2.0l that came from my daughters

car that she totaled it had 111,000 miles I decided I would tear it down and pep it up a bit, I've been looking for engine spec's and have not been able to find anything on it, I just need some info on torq for the head rods and mains, also any one time use parts that I should replace. does anyone know of a web site that has any info on this.
