A list of the sailing and power yachts, yacht clubs, and yacht owners of the United States, the Dominion of Canada and the nations of the Caribbean.

World Fishing

"This manual covers the topics that a factory service manual (designed for factory trained mechanics) and a manufacturer owner's manual (designed more by lawyers than boat owners these days) covers. It will take you through the basics of maintaining and repairing your motor, step-by-step, to help you understand what the factory trained mechanics already know by heart."--Page 1-2.
