Resume Buzz Words Maldek House You know differential equations. But do you know how to find a job? You know heat transfer. But do you know how to make your resume stand out? You know circuits. But do you know how to talk to a recruiter at a job fair? You know fluid dynamics. But do you know how to prepare for an interview? You know how to explain an engineering design. But do you know how to negotiate a job offer? Engineering Jobology 101 is for the ambitious engineering student who wants to

land their dream job at a great company and wants to beat out the other candidates. It is for the experienced engineer who is trying to take that next step in their career but needs some help to impress the interviewer. It is for the out-of-work engineer who wants their resume to stand out from the crowd but does not know how to do so. This book covers: Job Searching Resumes Portfolios LinkedIn Cover Letters Job Fairs Interviewing Negotiating a job offer and More! The easy-to-read format, practical tips, and useful examples will go a long way to improve how well you present yourself to potential employers. The lessons from Engineering Jobology 101 may be the difference between getting a "good enough" job and landing your dream job! "Eric coached me through my job search as I graduated from college. Because of the principles taught in Engineering Jobology 101 I landed multiple job offers and used them as leverage to raise my starting salary by several thousand dollars! That was money that I could have easily left on the table without his help. I highly recommend that every engineering student read and apply the teachings in this book. It will pay off big time." -K. H., Aeronautical Engineer at Lockheed Martin "There has been a severe lack of resources to help engineers land their dream jobs. Engineering Jobology 101 finally fills that need. Eric speaks in the language of

engineering to provide all the steps, equations, and algorithms necessary for an engineer to launch a successful career." -M.W., HR at Honeywell

Have you just left school or college with no references? Have you found that nothing you learnt in your careers courses have helped? Do you need a step by step plan on getting that office job? Written in Jason Hogan's easy to understand style, the newly revised "How to Get a Job in an Office in 30 Days by Winning the Interview Game!" can give you those extra, unspoken tips you need to give you the edge on your rivals. To make it a bit more interesting, Jason has added points so that you can score yourself as you increase through the levels of getting ready for an interview. Ex-CEO Jason makes it easy to understand, even for people who speak English as a Second Language, and his casual and friendly writing style means you get the

maximum amount of information and advice without too many personal stories or reflections. Did you know there are smart phone apps that help you to find jobs? Did you know that there are hundreds of other little things employers consider when they interview you, not just how you answer the questions or what skills you bring to the meeting? Did you know there is a mindset that you need to get into to make getting that job so much easier? This book can help you on to the fast track to success in getting an office job. Contents Include: Level 1: Pre-preparation. Win the Positive Mindset Game - Explores what you can do to change your brain chemistry to be more positive Level 2: Remove Cognitive Distortions and Change Life Habits - Beliefs you've been carrying around for years that you need to be aware of to be able to drop them! Level 3: Stabilize Your Emotions - Employers love calm, non-emotional people. Level 4: Prioritize Money - Don't forget to value your time Level 5: Update Your Work Ethic. How to get into the mindset of working harder, along with a list of employee traits that employers love Level 6: Perceptions. This section also includes your all important tools like how to write resumes and cover letters, how to promote yourself, examples resumes, phone interview advice, as well as some common interview questions and suggested answers. Level 7. Change Yourself. A step by step hourly plan for each day of the week that can help you stick to your work search schedule. This section also includes advice on how to make yourself appear more attractive to the employer including information on: body odor, body language, habits and more. Learn about how to project that you're management material, words to upgrade your vocabulary, notes about social networking, and other things to help you improve yourself. Level 8: The Interviews. From Skyping to the Third In-Person interview, this section gives a rough guide as to what to expect. It also looks at what other things you can do if you don't get the job, along with additional tips. There's

also a list of places you can search for jobs that you may not have thought of. And much more! Get ready to win the interview game with 'How to Get an Office Job in 30 Days.' Volume 1 in the Job Interview Preparation for Beginners series
