Engineering Drawing By Kannaiah

Technical lettering is the process of forming letters, numerals, and other characters in technical drawing. It is used to describe, or provide detailed specifications for, an object. With the goals of legibility and uniformity, styles are standardized and lettering ability has little relationship to normal writing ability. Engineering drawings use a Gothic sans-serif script, formed by a series ...

This page

Dr. P. Kannaiah has a rich experience of teaching this subject for about twenty five years, and this has been well utilised to rightly reflect the treatment of the subject and the

presentation of it. Prof. K.L. Narayana, as a Professor in Mechanical Engineering and Mr. K.Venkata Reddy as a Workshop Superintendent have wisely joined to give illustrations usefully from their wide experience and ...
