of the subject – Engineering Drawing

(Graphics) of various Technical Universities

all over the country and is also linked with a website,...

### Engineering Drawing For 1st Year

### Engineering Drawing For 1st Year

An engineering drawing, a type of technical drawing, is used to fully and clearly define requirements for engineered items. Engineering drawing produces engineering drawings. More than merely the drawing of pictures, it is also a language—a graphical language that communicates ideas and information from one mind to another.
