Download Engineering Hydrology by K Subramanya Book PDF Free. This is Book for Civil Engineering Students under the Course of Water Resource Engineer and Irrigation. This Book is written in Simple language & this will help the Students of Undergraduate as well as the Postgraduate because in this all the necessary topics of WRE are covered.

This book by Ponce is a classic. I'm using it to study for the Hydrology portion of the PE exam and it's straight to the point. I really liked how he demystifies some of the concepts for the civil engineers who didn't specialize in Hydrology/Water Resources. Glad to have the book in my Engineering library.
