This workbook offers a simple system for ongoing practice that will develop the reading comprehension skills that all Maryland

students need and prepare students for the MSA Reading test. Each set in the workbook includes reading comprehension questions similar to those found on the state test, plus a core skills exercise focused on one Common Core reading, writing, or language skill. The 40 sets in the book allow students to gradually develop the key skills they will need, while building confidence and reducing test anxiety. Key Features -40 reading mini-tests to make test preparation simple -Short passages and question sets allow for easy 20-minute practice sessions -Easily integrates with student learning throughout the year -Covers the same skills tested on the state test -Includes exercises focused on developing the reading, writing, and language skills described in the Common Core State Standards -Helps students transition to Common Core assessments -Includes additional information and teaching notes on the key reading skills that Maryland students need to master About the Common Core Standards The state of Maryland has adopted the Common Core standards. These standards describe what students are expected to know. In 2013-2014, students will be instructed based on these standards. Each passage in this workbook includes a Core Skills Practice exercise. Each exercise focuses on one key reading, writing, or language skill. By completing these exercises, students will develop key Common Core skills. The questions with each set cover skills in both the State Curriculum and the new Common Core State Standards. This design will introduce students to the new skills and help students transition to the more challenging Common Core standards, while still ensuring that students are prepared for the MSA Reading test.
