“ A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world. ”
—Barack Obama
“ African literature is incomplete and unthinkable without the works of Chinua Achebe. ” —Toni Morrison
Nominated as one of America ’ s best-loved novels by PBS ’ s The Great American Read
Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African

Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the

most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

The inspiring and hilarious story of Patch Adams's quest to bring free health care to the world and to transform the way doctors practice medicine • Tells the story of Patch Adam's lifetime quest to transform the health care system • Released as a film from Universal Pictures, starring Robin Williams Meet Patch Adams, M.D., a social revolutionary who has devoted his career to giving away health care. Adams is the founder of the

Gesundheit Institute, a home-based medical practice that has treated more than 15,000 people for free, and that is now building a full-scale hospital that will be open to anyone in the world free of charge. Ambitious? Yes. Impossible? Not for those who know and work with Patch. Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him, Adams does whatever is necessary to help heal. In his frequent lectures at medical schools and international conferences, Adams's irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine. All author royalties are used to fund The Gesundheit Institute, a 40-bed free hospital in West Virginia. Adams's positive vision and plan for the future is an inspiration for those concerned with the inaccessibility of affordable, quality health care. Today's high-tech medicine has become too costly, impersonal,

and grim. In his frequent lectures to colleges, churches, community groups, medical schools, and conferences, Patch shows how healing can be a loving, creative, humorous human exchange--not a business transaction.

Asem Life Between Summers Providing clear, pedagogical steps and curriculum guidance, this practical book focuses on laying the strong foundation that is needed to assist learners in using English as the language of learning and teaching (LoLT) from grade four onward. In grade four, the majority of learners make the transition from their home language to English as the LoLT; to assist learners in this transition, it is important that teachers introduce English into the classroom from as early as Grade R (reception year, prior to starting grade one). The earlier learners are exposed to English, the more proficient they will become. Included in this book are strategies for introducing English into the classroom, techniques for teaching English alongside learners' home language, teaching resources for

classroom use, and ideas for planning lessons.

Short Stories Harper Collins 'Tonight he noticed how the women's eyes Passed from him to the strong men that were whole.' The true horror of the trenches is brought to life in this selection of poetry from the front line. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Wilfred Owen (1893-1918). Owen is available in Penguin Classics in Three Poets of the First World War: Ivor Gurney, Isaac Rosenberg, Wilfred Owen. *Navajo-English Dictionary*

As a teenager in today's crazy online world, you may think you've got it all sussed out. But even you don't know about all the legal pitfalls, hidden dangers and future implications of what you do, see and post online. *Selfies, Sexts and Smartphones* is the book every teenager (and their parents) should read. It covers all of the major issues teenagers face in the digital age, including cyberbullying, sexting, addiction, internet safety, porn, anxiety, depression, privacy and reputation, and does so within a South African context. Accessible,

informative and even fun, this book will help guide you to a happy, rewarding and, most importantly, safe online life. Upon reading *Selfies, Sexts and Smartphones*, one 17-year-old remarked: 'I feel I need to say thank you for this. It talks about the stuff I deal with every single day.'

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-

giving, it has been popular for adaptation, especially for presentation at Christmas time.

Teaching English As a First Additional Language in the Foundation Phase Amila Jay

This moving poetry collection from the Booker Prize-winning author finds strength and hope while reflecting on the complex issues that have burdened Africa. First published in 1992, Ben Okri's remarkable debut

collection features poems that are now considered classics and taught in schools and universities worldwide. Here he plays with the mystique of the African continent, countering simplistic narratives of suffering that have been imposed on it with vibrant, nuanced portraits of the traditions and resilience of African peoples. An invaluable window onto Okri's experiences as a Nigerian immigrant to the United Kingdom and as a writer discovering his calling, these poems also speak to universal truths about love, injustice, and the search for meaning.

The Gift of the Magi Theatre Communications Group

In the Johannesburg township of Soweto, a young black gangster in South Africa, who leads a group of violent criminals, slowly discovers the meaning of compassion, dignity, and his own humanity.

Bursting World Beacon Press From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing

that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library. *Tsotsi Time Inc. Books* 'You have cancer' - three small words that have the power to change your life. They could render you, the patient, feeling like you no longer have control over your own body and circumstance. But you can regain charge of your life: through understanding the illness and how it will affect you. *So It's Cancer: Now What?* is your guide to that next step: what to do when you are diagnosed with cancer.

With her trademark wisdom and warmth, medical oncologist and award-winning author Ranjana Srivastava demystifies the labyrinthine world of the illness. What is cancer and how is it treated? Why can't I have an operation? What should I eat and how do I manage pain? She equips you with the knowledge to make informed decisions on the daunting issues, such as finding the right oncologist, and to ask the bigger questions, such as how to break it to the kids.

Dr. Jekyll & Mr Hyde Penguin Random House South Africa
Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling

lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing

and to understand her notes.”

In *The New Tribe*, pioneering author Buchi Emecheta tells the tale of a young Nigerian boy adopted by a white family. Life changes overnight for the Arlingtons when an abandoned baby girl, Julia, arrives unexpectedly on their doorstep. The couple take her in and settle into family life. But then, just two years later, their lives change once again when they are told a Nigerian mother is in desperate need of a loving home for her baby boy, Chester. Instantly marked as different from the other children in his school – and even from his own family – Chester's pain and confusion at growing up an outcast ignites in him a desire to find out about his biological family. In this poignant, heartwarming story of Chester's journey through childhood, Buchi Emecheta weaves together a tale of love and acceptance while illuminating the vital importance of self-discovery. 'We are able to speak because [Buchi Emecheta] first spoke.' Chimamanda Ngozi Adichie 'Her name deserves to be

embedded in our literary history.'

Bernardine Evaristo 'A pioneer among female African writers.'

“Clearly Francis Gilbert is a gifted and charismatic teacher,” Philip Pullman,

author of 'Northern Lights'. Are you struggling to understand

Robert Louis Stevenson's classic novel 'Dr Jekyll and Mr

Hyde'? Or are you an English teacher wanting ready-made

exercises and guidance to help you teach this difficult text?

Do your students need support to understand the language

properly and work independently on the book?

This brilliant edition of Stevenson's novel may be the

answer to your prayers. Written by an experienced

teacher and best-selling author, this version is aimed at

students who must analyse the text in depth or teachers

wanting to deliver outstanding

lessons on it. This book

contains an annotated complete text, numerous essays on the

novel, including detailed accounts of Robert Louis

Stevenson's life, relevant contexts and discussion of vital

themes and imagery. The complex vocabulary of the

book is analysed throughout, and simple explanations of

what is happening punctuate each chapter. Furthermore,

there are academic explorations of the issues as

well as comprehensive question and answer sections at

the end of each chapter, including a “fill-in-the-blanks”

summary to check understanding. At the end of

the guide, there is advice on how to write successful essays

and assignments. There are also plenty of pointers to help

students develop their own personal responses, including

thought-provoking thematic questions, links to the author's

YouTube readings and

explanations, and creative response tasks.

Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to

whip up fast, healthy, homemade meals that are truly 'damn delicious!'

And Still I Rise Lulu.com

A searing novel, told in letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman. *Mother to Mother* is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and

storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.
