The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its

popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike. This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print. This volume features:- 160 Upper Intermediate (B2)) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and

English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design
