*The Grammar Guide* Rockridge Press

The authoritative guide to using the English language effectively, from "the greatest writer on grammar and usage that this country has ever produced" (David Yerkes, Columbia University). The author of The Chicago Manual of Style's popular "Grammar and Usage" chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an

unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner's lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. "[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it."—John E. McIntyre, Baltimore Sun

#### A Guide to Complexities of the English Language Routledge

Searchable electronic version of print product with fully hyperlinked cross-references.

#### An English Grammar Reference Zephyros Press

English grammar is often said to be over-complicated and difficult to get to grips with but the truth is that, while there are certain rules that should be obeyed, the language evolves and develops over time - and quite rightly so. In this book, Joseph Piercy outlines the 25 rules that should be adhered to in written and spoken English, defining the rules themselves and then decoding them for the layman so that he or she understands each rule and how it has been used and developed over time. In doing so, the author highlights the most common misuses - or plain errors - in the language, while also setting the reader on to the right path to speaking and writing in good, plain English.

#### Essential English Grammar McGraw Hill Professional

English Grammar Guide and Practice covers all the essential grammatical concepts for a learner in English. An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes Penguin

A simple grammar book - fun, easy to use, with lots of pictures. For learners of all ages. A totally new way of learning English! Learners - This book makes English grammar easy for you to learn and remember. We use pictures and diagrams, and simple exercises. See how the grammar works and do the exercises. There are no difficult explanations. It's simple. Now you can understand and use English grammar! Teachers - Jim Rose and Steve Elsworth are best-selling English language authors. Graphic Grammar is a completely new approach to English grammar using visual explanations. The Graphic Grammar series consists of four books, taking the learner from complete Beginner to Early Intermediate stages of English. Each book has fifty units of grammar, with an illustration to exemplify the grammar point, with grammar tables, examples, and practice sentences. All of the practice sentences have answers for self-checking. The language is carefully graded so that the books can be used at home for self-study, or in class with a teacher. The basis of the Graphic Grammar books is that it is easier to see and understand English grammar than it is to read abstract descriptions. Learners can see patterns in the English language, making it easier to understand and remember English usage. Difficult grammatical areas are covered - use of definite or indefinite articles, regular and irregular verb formations, verb transformations, pronouns, adjectives and adverbs.. Brilliantly simple - simply brilliant!
