Basics of Biblical Greek Workbook Wm. B. Eerdmans Publishing
A Modern Grammar for Biblical Hebrew is a complete revision of Duane Garrett ’ s respected 2002 release originally entitled A Modern Grammar for Classical Hebrew. In addition to the revisions and contributions from new coauthor Jason DeRouchie, the book now includes the answer key for an all-new companion workbook and an updated vocabulary list for second year Hebrew courses.

I Wandered Lonely as a Cloud Zondervan
I never learned English grammar' is the lament of many students beginning their study of Hebrew and Greek, the languages of the Old and New Testaments. This book is designed as a companion to the learning of either Greek or Hebrew, to help you to understand better what is going on when textbooks of Greek and Hebrew use English grammar to introduce the various forms of the new language. The book will sharpen your appreciation of the gift of language and the richness and subtlety of your own language. It will help you to be more reflective and analytical of what you read and write. It will introduce you to some of the ways we can describe what is going on in grammar, and be understood by others who know and use this descriptive system. It will help you to be more effective when you read a serious commentary that engages the original languages. This book can be used as an additional textbook for use in introductory Greek and Hebrew courses, or in private preparatory study before or in conjunction with language learning.
Grammatical Concepts 101 for Biblical Hebrew Wipf and Stock Publishers
This expanded workbook is designed for use with the fourth edition of Basics of Biblical Greek Grammar, the standard textbook for colleges and seminaries. The workbook includes two tracks for learning biblical Greek and includes extensive exercises and biblical passages to translate, plus occasional review chapters.

Everything You Need to Ace English Language in One Big Fat Notebook
Zondervan Language Basics Series
Adapted from the fourth Latin Edition by Joseph Smith.

Hebrew Grammar Zondervan Academic
The basic message of the Bible can be understood in any language. At the same time, many biblical texts are hard to understand because they don’t quite make sense when translated into English. Something is missing. Quite frequently, what readers miss has been lost in translation. Maybe there is a pun or wordplay in the original. Sometimes names like Adam, Eve, Cain, Abel, and Eden just seem like names to us but have meanings that are essential to the story. Many Hebrew words have multiple meanings, but the English translators have to just pick one (for example, the same Hebrew word can mean both hear and obey). Even more common are Hebrew words that have much wider meanings than their English translations. A few examples are the Hebrew words rendered as remember, covenant, walk, gates, love, cleanliness, holiness, glory, wisdom, and fear. The original language allows various parts to click together like well-constructed puzzle pieces. With Hebrew in mind, interpreters see new details they didn’t realize were missing before. They make new connections. They immerse themselves in scripture more fully. That’s where this book comes in. Learning a language is like learning a worldview. Those who learn biblical Hebrew can better understand not only what biblical authors wrote, but also how they thought. Unfortunately, those insights come only after years of study. This book is about getting right to the important, exciting insights. It’s an opportunity to be transformed by the renewing of our minds as we better understand how biblical authors used their language to express their experience of God and the world. If you are just beginning to study Hebrew and want the insights and motivation to continue or if you have no intention of learning biblical Hebrew but want to better understand the Bible, this book is for you!

Unless Someone Shows Me Abingdon Press
Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

A Grammar for New Testament Greek A&C Black
It’s the revolutionary English language arts study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace English Language Arts . . .takes students from grammar to reading comprehension to writing with ease, including parts of speech, active and passive verbs, Greek and Latin roots and affixes; nuances in word meanings; textual analysis, authorship, structure, and other skills for reading fiction and nonfiction; and writing arguments, informative texts, and narratives. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject’s key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT

NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award–winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

A Dictionary of English Grammar for Students of Biblical Langu Kregel Academic
Features of Basics of Biblical Hebrew Grammar, Second Edition text: * Combines the best of inductive and deductive approaches * Uses actual examples from the Hebrew Old Testament rather than 'made-up' illustrations * Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a simple, enjoyable, and effective learning process * Colored text highlights particles added to nouns and verbs, allowing easy recognition of new forms * Chapters Two (Hebrew Vowels), Nine (Pronominal Suffixes), Seventeen (Waw Consecutive), Eighteen (Imperative, Cohortative, and Jussive), and Twenty-Three (Issues of Sentence Syntax) are revised and expanded * Section of appendices and study aids is clearly marked for fast reference * Larger font and text size make reading easier * Updated author website with additional Hebrew language resources and product information (www.basicsofbiblicalhebrew.com) Features of updated CD-ROM: * Full answer key to the accompanying workbook (compatible with Windows and Macintosh) * Scripture indexes to both the grammar and the workbook * FlashWorksTM, a fun and effective vocabulary-drilling program from Teknia Language Tools * Links to additional resources accessible with internet connection
Basics of Biblical Hebrew Grammar Zondervan

The Handy Guide to New Testament Greek Lobster Press
This expanded workbook is designed for use with the standard-setting Basics of Biblical Greek Grammar, now in its third edition. The workbook includes 2-tracks for learning biblical Greek and includes extensive exercises and biblical passages to translate, plus occasional review chapters.

Everything You Need to Ace English Language Arts in One Big Fat Notebook Baker Academic
This title clarifies the basics of English grammar and helps readers understand concepts that are specific to New Testament Greek. Each chapter investigates individual concepts, explains how the concept works in English, and then illustrates its use in Greek. Numerous English and Greek examples illustrate each concept. It includes glossaries and translations to help students understand the Greek word in each example and is ideal for beginners with little or no formal study of grammar.

The Ancestry of Our English Bible Createspace Independent Publishing Platform
This in-depth yet student-friendly introduction to Koine Greek provides a full grounding in Greek grammar, while starting to build skill in the use of exegetical tools. The approach, informed by twenty-five years of classroom teaching, emphasizes reading Greek for comprehension as opposed to merely translating it. The workbook is integrated into the textbook, with exercises appearing within each chapter rather than pushed to the end or located in a separate book. This enables students to practice concepts as they encounter them in the chapter--ideal for distance learning or studying beyond the traditional classroom. The book covers not only New Testament Greek but also the wider range of Bible-related Greek (LXX and other Koine texts). It introduces students to reference tools for biblical Greek, includes tips on learning, and is supplemented by robust web-based resources through Baker Academic's Textbook eSources. Resources for students include flash cards and audio files. Resources for professors include a test bank and an instructor's manual.
Grammatical Concepts 101 for Biblical Greek Workman Publishing Company
A practical and easy-to-understand guide to the logical structure of both Hebrew and Greek. Ideal for biblical language students.

The Biblical Hebrew Companion for Bible Software Users Zondervan Language Basics
This new primer offers a succinct, single-volume introduction to biblical Greek that has already been tested in classrooms around the country. Divided into 32 separate lessons, each containing a generous number of exercises, the text leads students from the Greek alphabet to a working understanding of the language of the Bible.

The Bible After Babel Baker Academic
Provides students with simple and clear explanations of the grammatical terms they're likely to encounter in their Bible software of choice. While Bible language and exegetical programs provide users with lots of useful information, most of them unfortunately don't explain the basic meaning of the grammatical terminology or why that information is significant for understanding biblical texts. For most of us, it's been a long time since we've had any formal training in English grammar. So if you're using a Greek language program, and you come across grammatical terms like vocative, genitive, subjunctive, or middle voice--this is your quick index! To make this book as user-friendly as possible, each entry provides: A description of what the form looks like. A summary of what it does--its main functions (with examples from the Greek New Testament). An "Exegetical Insight" to show how understanding the grammar helps you interpret the text. The Biblical Greek Companion for Bible Software Users is ideally suited for: Pastors and ministry leaders who may have learned Greek at one time but have experienced the loss of much of that learning. College and seminary students who are learning Greek and need a guide to help understand the significance of the grammatical terminology. Bible software users who never formally learned Greek in the classroom and need help understanding the meaning of the terms they encounter. Any users of programs like Logos Bible Software, Accordance Bible Software, Olive Tree, or other Bible software programs who want a quick and easy reference. With grammatical terms laid out and discussed in an intuitive and user-friendly format, readers can now spend time focusing on exegesis and applying their findings to their preaching, teachings, study, and writing instead of puzzling over the significance of grammatical terminology and how to apply it.

Christians with Courage Zondervan
Anglicised edition of US bestselling Big Fat Notebook series. Everything You Need To Ace English Language In One Big Fat Notebook takes students from grammar to reading comprehension to writing with ease, including parts of speech, active and passive verbs, Greek and Latin roots and affixes; nuances in word meanings; textual analysis, authorship, structure, and other skills for reading fiction and nonfiction; and writing arguments, informative texts, and narratives. The Big Fat Notebook series is built on a simple and irresistible conceit -- borrowing the notes from the smartest kid in class. Each book in

the series is the only book you need subjects taught from grades 7 to 9: Maths, Science, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarised: Critical ideas highlighted in marker colours. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all.

God, Language and Scripture Zondervan

In *The Bible after Babel* John J. Collins considers the effect of the postmodern situation on biblical, primarily Old Testament, criticism over the last three decades. Collins examines the quest of historical criticism to objectively establish a text's basic meaning. Accepting that the Bible may no longer provide secure "foundations" for faith, Collins still highlights its ethical challenge to be concerned for "the other"--A challenge central both to Old Testament ethics and to the teaching of Jesus. --from publisher description.

A Grammar for Biblical Hebrew Workman

Usable Greek helps for all New Testament students, from novice to veteran

Biblical Greek Wm. B. Eerdmans Publishing

This work is intended to serve as a user-friendly and up-to-date source of information on the morphology, syntax, semantics and pragmatics of Biblical Hebrew verbs, nouns and other word classes (prepositions, conjunctions, adverbs, modal words, negatives, focus particles, discourse markers, interrogatives and interjections). It also contains one of the most elaborate treatments of Biblical Hebrew word order yet published in a grammar. This reference grammar will be of service to students who have completed an introductory or intermediate course in Biblical Hebrew, and also to more advanced scholars seeking to take advantage of traditional and recent descriptions of the language that go beyond the basic morphology of Biblical Hebrew.

Basics of Biblical Greek B&H Publishing Group

The best-selling and most widely accepted New Testament Greek textbook has just gotten better. The author has made the book more user-friendly and offers options to professors, particularly enabling them to introduce Greek verbs earlier as well as offering some made-up sentences to challenge the students.
