The findings answer the research question, "Is there a difference between English II End-of-Course test scores for those students who are enrolled in Spanish and those who are not?" Lord of the Flies House of Anansi

A warm and intuitive portrait of the secret Paris—one closed to all but a knowing few—The Piano Shop on the Left Bank is the perfect book for music lovers, or for anyone who longs to recapture a lost passion. Thad Carhart never realized there was a gap in his life until he happened upon Desforges Pianos, a demure little shopfront in his Pairs neighborhood that seemed to want to hide rather than advertise its wares. Like Alice in Wonderland, he found his attempts to gain entry rebuffed at every turn. An accidental introduction finally opened the door to the quartier ' s oddest hangout, where locals—from university professors to pipefitters—gather on Friday evenings to discuss music, love, and life over a glass of wine. Luc, the atelier ' s master, proves an excellent guide to the history of this most gloriously impractical of instruments. A bewildering variety passes through his restorer ' s hands: delicate ancient pianofortes, one perhaps the onetime possession of Beethoven. Great hulking beasts of thunderous voice. And the modest piano “ with the heart of a lion ” that was to become Thad ' s own.

Golding ' s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
