"English in Common" is a six-level integrated-skills course for adult and young adult learners based on CEFR standards and learner outcomes. Finding direction and purpose"English in Common "motivates learners through Can Do objectives which give direction and purpose, ensuring students know what they are learning, why they are learning it, and how they will be able to use the language outside of the classroom. Engaging learners' interest"English in Common "engages learners' interest by offering a new twist to familiar topics -- topics that reflect students' needs and interests. This ensures that students will always have something to say about the content of the lesson. Developing active learners"English in Common "encourages active participation in learning by guiding students to use their own knowledge as they observe structures in context to figure out language use and form independently. This Daily Practice series helps your students use their skills, so they won ’ t lose them. There are five problems a day, every day, for 36 weeks. The practice activities are set up in a spiraling scope and sequence so that students practice skills at regular intervals. Each week ’ s problems are based on a grade-level appropriate topic so every time a skill shows up, it has a new context, requiring students to dig into their memories, recall what they know, and apply it to a new situation. Correlated to state and national standards, this six book series provides daily math and daily language practice for grades 6, 7, and 8.

Everyday English comic books are designed as progressive readers for learners of English as a second or foreign language. The series starts out with simple grammatical structures and vocabulary, then gradually build to more complex forms. The situations in Book 5 cover common everyday language skills and competencies such as understanding safety signs and procedures, finding job resources, reading job ads and abbreviations used in want ads, using library resources, going on an interview, answering job-related questions, filling out an application, reporting to work, understanding a W-4 form, understanding Metric and American standard measurements, converting Metric to American standard measurements, doing basic math, planning and opening a business, reading news headlines, describing work responsibilities, understanding work rules and duties, and organizing an event (party). The grammar recycles the structures presented in Books 1-4. Structures presented in this book include the use of the past continuous tense, reflexive pronouns, when / while, the present unreal (with would, could, if, and were), the present perfect tense, contrasting simple past and present perfect, regular and irregular forms of the past participle, for and since, the present perfect continuous, already / yet, still / not anymore, past participles used as adjectives, the expression "it takes ... (time), the preposition by, the passive voice, modals and auxiliary verbs in the passive voice, the agent in the passive voice, gerunds, expressions ending in prepositions, verbs followed by gerunds, and gerunds used in compound nouns. The vocabulary includes safety terms, kinds of injuries, job titles, expressions of time used with the present perfect tense, job interview and application form terms, common work-related words, adjectives used in measurements, lines and shapes, and business terms. This comic book is accompanied by a workbook: English for Better Jobs 3. The content of the second half of the workbook follows the same story line and characters, and it provides detailed grammar explanations, oral practice drills, and writing exercises that are presented in the last half of English for Better Jobs 3. It is available on Amazon.com and eBay.
