This second edition of English in Mind updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have

been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections.

English in Mind second edition has been written taking all these points into account. They have significantly influenced the choice of texts, artwork and design, the structure of the units, the typology of exercises, and the means by which students' study skills are facilitated and extended. The importance of the content for success
