Imperialism may be over, but the political, economic and cultural subjugation of social life through English has only intensified. This book demonstrates how English has been newly constituted as a dominant language in post-market reform India through the fervent aspirations of non-elites and the zealous

reforms of English Language Teaching experts. The most recent spread of English in India has been through low-fee private schools, which are perceived as dubious yet efficient. The book is an ethnography of mothering at one such low-fee private school and its neighboring state-funded school. It demonstrates that political economic transitions, experienced as radical social mobility, fuelled intense desire for English schooling. Rather than English schooling leading to social mobility, new experiences of mobility necessitated English schooling. At the same time, experts have responded to the unanticipated spread of English by transforming it from a second language to a first language, and earlier hierarchies have been produced anew as access to English democratized. Xamidea Social Science for Class 9 - CBSE - Examination 2021-22 VK Global Publications Part historical essay, part scientific article, and part enthralling diary-Roald Amundsen's (1872-1928) book presents intriguing documentation about how his expedition reached the South Pole on December 14, 1911, just one month ahead of his rival, Robert Scott. Amundsen organized his gripping account using what is referred to in the film industry as the zooming technique. It starts in the past, examining the history of Antarctic exploration in different eras, and then moves ahead to describe how his own expedition was created, its organization, the slow stages involved in preparing for departure and, finally, the heart-

stopping excitement of the race to the South Pole. Supplementing the vivid first-person text are black-and-white archival photographs illustrating the actual expedition, and color photographs depicting the landscape of Antarctica.

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into

hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to

the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*.  Description: English came to India with the East India Company in the seventeenth century. Lord Wellesley consolidated the rule of the East India Company around 1820 with his victories over the Marathas and Tipu Sultan. Hence the times were propitiate for the introduction of English language in India in education and administration. The two landmarks for the English Language Teaching in India were the famous

Minute on Indian Education (1835) by Thomas Babington Macaulay and The Wood's Despatch (1858) by Charles Wood. Thereafter English became the most important subject of higher study in India. Much was written about the study and teaching of English Language and Literature in India both by the natives and English-men. English Language teaching even after achieving Independence (1947) is continuing as an important subject of study as India's window on the world. In spite of the importance of the subject, there has been no bibliographical control. Bibliography and documentation are important tools to provide the total intellectual output that was written and published in the field. They reveal the strengths and weaknesses of the subject. They are the pathfinders for the further study and research of the study. Lack of these tools is a bane to the teachers and scholars. There is no bibliography so far on English Language and Literature teaching in India. The editors with their long experience at CIEFL undertook this arduous work to fill-in the gap. It is a happy thing that this reference tool is published on the occasion of the completion of 40 years of the establishment of the Central Institute of English and Foreign Languages, Hyderabad and the Silver Jubilee of its

deemed university status. It is hoped that this bibliography will be of great help to teachers, students and scholars in the field of ELLT.
