English and Gujarati

Gujarati is the official language of Gujarat, an Indian state located on that country's western coast. This book contains Gujarati words appearing in the Latin alphabet to aid the English speaker. The two-way dictionary, concise grammar, and phrasebook help travellers get acquainted with Gujarati speakers.

The student's little dictionary

Gujarati Book

for Babies & ToddlersAsk any parent in the west about teaching the Gujarati language in a country where there is little or no exposure to Gujarati whatsoever? But did you know that babies can be trained to learn two or even three languages simultaneously. In fact, they can start learning when the babies are still in the womb. If your native language is Gujarati, then this book is for you. Teach your babies their first Gujarati words which they will remember forever. If the pictures are shown and words repeated on a frequent basis, you baby will be soaking the information and will be able to recognise easily when they grow up. This attractive picture book is designed for babies for parents who wants their children to learn the Gujarati language. Increase your baby's Gujarati vocabulary. Lay the foundation now. Get your copy today! Why buy this book: -Easily identifiable
