A substantive exploration of theatrical costume Stage costumes reveal character. They tell audiences who the character is or how a character functions within the world of the play, among other things. Theatrical costuming, however, along with other forms of theatre design, has often been considered merely a craft, rather than part of the deeply systemic creation of meaning onstage. In what ways do our clothes shape and reveal our habits of behavior? How do stage costumes work to reveal one kind of habit via the manipulation of another? How might theatre practitioners learn to most effectively exploit this dynamic? Theatre Symposium, Volume 26 analyzes the ways in which meaning is conveyed through costuming for the stage and explores the underlying assumptions embedded in theatrical practice and costume production. Offering a broad survey of drama from the ancient Greeks to the present – including many new contemporary prize-winners – The Bedford Introduction to Drama has the plays you want to teach in a collection flexible enough to serve your needs in a variety of courses. Fifty-four chronologically arranged plays are illuminated by insightful commentaries and casebooks that enrich students' contextual understanding and encourage critical thinking. Concise introductions for each historical period and play emphasize theater design, staging, and acting style, and a wealth of photographs and illustrations help students visualize plays in performance. A fresh new design highlights the rich contextual features and additional help for students including a guide to writing about drama, a glossary, and new cross-references to a robust companion Web site.

Brings theatre to life for students by showing the relationship and relevance of the performing arts to their everyday lives The Enjoyment of Theatre's balanced coverage of performance and history provides a comprehensive and accessible introduction to theatre for both majors and nonmajors. This text establishes the aesthetic underpinnings of theatre art and then explores performance and production topics such as playwriting, acting, directing, design, and the theatre industry. The Enjoyment of Theatre also covers the full span of theatre's 2,500-year history. The authors make theatre come alive for students by showing them how theatre is relevant to their everyday lives. Learning Goals: Upon completing this book, readers will be able to: Understand today's theatre and the social impact of the theatre since its inception Explore theatre's cultural and economic context

Primary Science: Promoting positive attitudes to conceptual learnings is a full colour, core textbook to support, inform and inspire anyone training to teach Science at primary level. This book is a new kind of text linking subject knowledge and pedagogy in one package, rather than treating them as separate entities. The text aims to encourage trainee teachers to teach scientific concepts in contexts which will inspire the children to look at the world in new and intriguing ways, rather than presenting it as a list of facts and definitions. Encouraging critical reflection and offering practical support, this book will help trainee teachers to overcome negative attitudes to Science. The two part structure of the book first presents insights into the nature of science and science education, exploring issues such as the value and purpose of teaching Science in the primary school and the value of scientific enquiry. It then moves on to cover subject knowledge, relating it to pedagogy.

In Other Habits: Theatrical Costume Hal Leonard Corporation

Stage Money is a groundbreaking guide to understanding professional theater finances today through the use of the tools and metaphors of the business world at large. This approach results in a comprehensive picture of the economic realities of theater production that is radically different from the assessments typically espoused elsewhere. Tim Donahue and Jim Patterson combine their experiences in the financial and creative aspects of theater production to present in straightforward prose their keen insights into the micro- and macro-economic aspects of the commercial stage. Tangible data, charts, and graphs are counterbalanced with illuminating "intermissions" between chapters and interspersed sidebars throughout to provide specific examples of key concepts, collectively presenting an expansive overview of the contemporary theater business. Stage Money is an unparalleled tool for theater professionals and enthusiasts interested in garnering a better understanding of the business's inner workings at present and its challenges for the future. Among the topics addressed in Stage Money are the risks and returns on Broadway in the early twenty-first century, the financial organization of theater performances today, and comparisons between the business models of commercial theater and not-for-profit theater. In concise language and clear examples, the authors explain where the money comes from and where it goes.

New York Theater Walks Routledge

(Vocal Selections). Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.

Theater Careers is designed to empower aspiring theater professionals to make savvy, informed decisions through a concise overview of how to prepare for and find work in the theater business. Tim Donahue and Jim Patterson offer well-researched information on various professions, salary ranges, educational and experience requirements, and other facets certain to enlighten students contemplating a theater career, as well as inform counselors, teachers, and parents of available opportunities and the demands of each path. Theater Careers offers valuable details not readily available elsewhere, including dozens of informative job descriptions surveying the impressive variety of theater careers, both on and off the stage as well as statistics on the working and earning prospects of various careers as drawn from the best sources in the business. The authors also provide thoughtful assessments of the value of education and training choices, including the most meaningful way to look at the costs of college—estimating net costs, which is seldom described elsewhere—and how to choose a school. Straightforward and objective, Theater Careers is an ideal reference for those seeking careers in the theater. Armed with this information, readers will be better equipped to pursue choices that best lead to satisfying and secure employment in the rewarding field of the dramatic arts.

[Explorer's Guide Berkshire: A Great Destination \(Eighth Edition\)](#) Gale / Cengage Learning

Drawing on draft manuscripts and other archival material, James Joyce and Absolute Music, explores Joyce's deep engagement with musical structure, and his participation in the growing modernist discourse surrounding 19th-century musical forms. Michelle Witen examines Joyce's claim of having structured the "Sirens" episode of his masterpiece, Ulysses, as a fuga per canonem, and his changing musical project from his early works, such as Dubliners and A Portrait of the Artist as a Young Man.

Informed by a deep understanding of music theory and history, the book goes on to consider the "pure music" of Joyce's final work, Finnegans Wake. Demonstrating the importance of music to Joyce, this ground-breaking study reveals new depths to this enduring body of work.

"Locating information on women is difficult and the editors have done a fine job assembling and publishing information extant on individual women from many nations both living and dead. Because in some cases only birth, marriage, children, and death dates are known, the 10,000 articles vary in length according to the subject. If you haven't been able to answer reference questions on women, you need this set."--"Outstanding Reference Sources," American Libraries, May 2001.

Univ of South Carolina Press

Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

Racketeers, gangsters, the occasional power-mad supervillain - all have fallen before the iron resolve of the city's masked protectors. But when forces with powers from beyond this world threaten to bring their war to the streets of Depression-era Toronto, can even the Red Panda prevent disaster? Bringing to life characters from The Red Panda Adventures, Decoder Ring Theatre's award-winning radio drama series, Mask of the Red Panda is pulse-pounding pulp perfection for all those who love the classic two-fisted adventures of the golden age of radio, classic movie serials, and the hero pulps.

Stage Money Pearson College Division

No judgement of taste is innocent - we are all snobs. Pierre Bourdieu's Distinction brilliantly illuminates the social pretensions of the middle classes in the modern world, focusing on the tastes and preferences of the French bourgeoisie. First published in 1979, the book is at once a vast ethnography of contemporary France and a dissection of the bourgeois mind. In the course of everyday life we constantly choose between what we find aesthetically pleasing, and what we consider tacky, merely trendy, or ugly. Taste is not pure. Bourdieu demonstrates that our different aesth

(Applause Books). In New York Theatre Walks, Howard Kissel provides a series of seven self-guided walking tours not just of the theatre district but of the East and West Village, the Lower East Side, and the Upper West Side neighborhoods uptown and downtown that illuminate the theatre's intimate relationship with the city. On one tour, we follow the career of Irving Berlin from the sites of his theatrical triumphs to the ultra-posh corner where this Lower East Side boy eventually made his home. There's also "Adolph Green's Daily 'Commute,'" a route on which he went to meet and work with his musical theatre writing partner Betty Comden, and on a culinary tour we see the

way Times Square eateries contributed to theatre history. The book abounds in Broadway anecdotes, but it also gives the walker a sense of the city's own complex, rich history. East Side, West Side, All Around the Town, New York Theatre Walks provides enjoyment and instruction not just for visitors eager to get off the beaten path but for the native who wants to find the theatrical past lying behind the sights one passes on a regular basis.

As You Like it Allyn & Bacon

The "bible" in the field of stage management, this book is a practical examination of the role of the stage manager in overall theater production. Full of practical aids such as websites and email addresses in every chapter, checklists, diagrams, glossaries, and step-by-step directions, this volume has been used and admired by students and theater professionals alike. It eschews excessive discussion about method or philosophy and, instead, gets right to the essential materials and processes of putting on a production. Perhaps most importantly, Stern has continued to keep pace with the technological and professional developments affecting the stage. For theatre professionals, or anyone with an interest in stage management/ theatre management.

The adventures of Peregrine Pickle ... The eighth edition Macmillan

Although normally thought of in terms of its creative and artistic values, staging a play or musical involves numerous legal relationships and obligations. Accordingly, this casebook provides the first comprehensive overview of the law governing the theater industry. Among the subjects examined are the history of the theater; the practice of theater law; the creative rights of playwrights; the financial rights of producers and investors; the employment rights of directors, performers, and crew members; and the attendance rights of audiences. While principally concerned with Broadway and Off-Broadway productions, the final two chapters focus on road tours and amateur theater groups. The casebook's 104 principal readings use the battles fought over some of Broadway's biggest shows to spark student interest and promote classroom discussion. The line-up includes such hits as Annie, Bus Stop, Cats, Guys and Dolls, Jekyll & Hyde, Jesus Christ Superstar, Miss Saigon, My Fair Lady, Rent, South Pacific, The King and I, The Music Man, The Phantom of the Opera, The Producers, The Sound of Music, and Urinetown. Also taking turns are such notable figures as Jackie Mason, Ann Miller, Rosie O'Donnell, Eugene O'Neill, Lynn Redgrave, Neil Simon, Cicely Tyson, and Tennessee Williams. Supplementing the principal readings are 145 notes, 28 problems, and nine appendices. While the notes and problems help students sharpen their grasp of the underlying concepts, the appendices reproduce the essential contracts used by theater lawyers. Because the chapters have been written in "stand-alone" fashion, instructors are able to rearrange them to fit their interests and time requirements. Jarvis, Chaikelson, Corcos, Edmonds, Garon, Ghosh, Henslee, Kende, Palmer, Schultz, Scordato, and White have avoided "squib" cases, used both legal and non-legal materials, and included numerous references to secondary sources. The result is a highly-engaging work that supports both survey courses and seminars and fills the gap left by entertainment law casebooks, which tend to focus on movies and television. At the same time, it provides instructors with an opportunity to bolster their students' understanding of such fields as anti-trust law, arbitration, contracts, First Amendment law, labor and employment law, professional responsibility, and torts. A 168-page teacher's manual walks both new and experienced instructors through the materials, offering detailed analyses, questions to be asked in class, and suggestions for field trips, outside speakers, and extra credit assignments.

A Social Critique of the Judgement of Taste The Countryman Press

The Macquarie Dictionary Eighth Edition is nationally and internationally regarded as the standard reference on Australian English. An up-to-date account of our variety of English, it not only includes words and senses peculiar to Australian English, but also those common to the whole English-speaking world. Six: The Musical - Vocal Selections Walter de Gruyter GmbH & Co KG

"Stage Money surveys the rough terrain of present financial demands on the theater business to present a timely and valuable approach to the myriad problems of producing theater today. The authors illuminate current business models with breathtaking thoroughness and ground their observations in anecdotal evidence as well as facts and figures of budgeting, tax codes, union contracts, ticket pricing, and marketing and publicity concerns. In setting these calculations in the recognizable context of creative and cultural aspects of American theater, rich snapshots emerge of early-twenty-first-century Broadway and the regional stage. And that the authors are able to offer such an optimistic picture of the present and future of the business speaks volumes about the vitality and viability of their original insights here." James Fisher, head, Department of Theatre, University of North Carolina at Greensboro --

A Play in Two Acts Bloomsbury Publishing

The papers of the present volume investigate the potential of the metaphor of life as theater for literary, philosophical, juridical and epistemological discourses from the Middle Ages through modernity, and focusing on traditions as manifold as French, Spanish, Italian, German, Russian and Latin-American.
