The Art of Watching Films Bedford/St. Martin's

Although normally thought of in terms of its creative and artistic values, staging a play or musical involves numerous legal relationships and obligations. Accordingly, this casebook provides the first comprehensive overview of the law governing the theater industry. Among the subjects examined are the history of the theater; the practice of theater law; the creative rights of playwrights; the financial rights of producers and investors; the employment rights of directors, performers, and crew members; and the attendance rights of audiences. While principally concerned with Broadway and Off-Broadway productions, the final two chapters focus on road tours and amateur theater groups. The casebook's 104 principal readings use the battles fought over some of Broadway's biggest shows to spark student interest and promote classroom discussion. The line-up includes such hits as Annie, Bus Stop, Cats, Guys and Dolls, Jekyll & Hyde, Jesus Christ Superstar, Miss Saigon, My Fair Lady, Rent, South Pacific, The King and I, The Music Man, The Phantom of the Opera, The Producers, The Sound of Music, and Urinetown. Also taking turns are such notable figures as Jackie Mason, Ann Miller, Rosie O'Donnell, Eugene O'Neill, Lynn Redgrave, Neil Simon, Cicely Tyson, and Tennessee Williams. Supplementing the principal readings are 145 notes, 28 problems, and nine appendices. While the notes and problems help students sharpen their grasp of the underlying concepts, the appendices reproduce the essential contracts used by theater lawyers. Because the chapters have been written in "stand-alone" fashion, instructors are able to rearrange them to fit their interests and time requirements. Jarvis, Chaikelson, Corcos,

Edmonds, Garon, Ghosh, Henslee, Kende, Palmer, Schultz, Scordato, and White have avoided "squib" cases, used both legal and non-legal materials, and included numerous references to secondary sources. The result is a highly-engaging work that supports both survey courses and seminars and fills the gap left by entertainment law casebooks, which tend to focus on movies and television. At the same time, it provides instructors with an opportunity to bolster their students' understanding of such fields as anti-trust law, arbitration, contracts, First Amendment law, labor and employment law, professional responsibility, and torts. A 168-page teacher's manual walks both new and experienced instructors through the materials, offering detailed analyses, questions to be asked in class, and suggestions for field trips, outside speakers, and extra credit assignments.

Drawing on draft manuscripts and other archival material, James Joyce and Absolute Music, explores Joyce's deep engagement with musical structure, and his participation in the growing modernist discourse surrounding 19th-century musical forms. Michelle Witen examines Joyce's claim of having structured the "Sirens" episode of his masterpiece, Ulysses, as a fuga per canonem, and his changing musical project from his early works, such as Dubliners and A Portrait of the Artist as a Young Man. Informed by a deep understanding of music theory and history, the book goes on to consider the "pure music" of Joyce's final work, Finnegans Wake. Demonstrating the importance of music to Joyce, this ground-breaking study reveals new depths to this enduring body of work.

Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strange little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer's pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

No judgement of taste is innocent - we are all snobs. Pierre Bourdieu's Distinction brilliantly illuminates the social pretensions of the middle classes in the modern world, focusing on the tastes and preferences of the French bourgeoisie. First published in 1979, the book is at once a vast ethnography of contemporary France and a dissection of the bourgeois mind. In the course of everyday life we constantly choose between what we find aesthetically pleasing, and what we consider tacky, merely trendy, or ugly. Taste is not pure. Bourdieu demonstrates that our different aesth

A substantive exploration of theatrical costume Stage costumes reveal character. They tell audiences who the character is or how a character functions within the world of the play, among other things. Theatrical costuming, however, along with other forms of theatre design, has often been considered merely a craft, rather than part of the deeply systemic creation of meaning onstage. In what ways do our clothes shape and reveal our habits of behavior? How do stage costumes work to reveal one kind of habit via the manipulation of another? How might theatre practitioners learn to most effectively exploit this dynamic? Theatre Symposium, Volume 26 analyzes the ways in which meaning is conveyed through costuming for the stage and explores the underlying assumptions embedded in theatrical practice and costume production.
