Beyond the Light Barrier is the autobiographical story of Elizabeth Klarer, a South African woman and Akon, an astrophysicist from Meton, a planet of Proxima Centuri that, at a distance of about 4.3 light years, is our nearest stellar neighbor. Elizabeth was taken in his spaceship to Meton, where she lived with him and his family for four months and where she bore his child. Her life on Meton is fascinatingly described. Akon brought Elizabeth back to Earth after the birth of their son, and continued to visit her thereafter. Akon explained how his spaceship's light-propulsion technology operated, and how it allowed him and his people to travel across vast interstellar distances. This technology is explained in detail in the book. Elizabeth was given a standing ovation at the 11th International Congress of UFO Research Groups at Weisbaden in 1975, and her speech as guest of honor was applauded by scientists of twenty-two nations. Light Technology Publishing is proud to bring you the long-awaited American edition in both hard copy and electronic format of Beyond the Light Barrier, which was first published in English in 1980 Destined (Vampire Awakenings, Book 2) Elisabeth Naughton Publishing LLC

Careful what you wish for... Ten years of imprisonment have left Tariq bitter, but to save his brothers ' lives, he ' ll submit to his endless personal hell, even if it means giving up his own hope for freedom. Until, that is, she touches the stone and a dark and dangerous warrior appears in her living room, offering to pleasure her beyond her wildest dreams. Soon, fantasy becomes a temptation she can ' t deny. The only question left is...will the pleasure be worth the price? Because as Mira ' s been warned, nothing...not even fantasies...are free. My Antonia Random House Entertainment Weekly Magazine presents Outlander. My Reminiscences Wildside Press LLC Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume

autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan ' s Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin ' s Bolshevik experiment, and more. 'An irresistible page-turner that reads like the most compelling, sleep defying fiction' **TIME OUT** One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . .

Recent scholarship has broadened definitions of war and shifted from the narrow focus on battles and power struggles to include narratives of the homefront and private sphere. To expand scholarship on textual representations of war means to shed light on the multiple theaters of war, and on the many voices who contributed to, were affected by, and/or critiqued German war efforts. Engaged women writers and artists commented on their nations' imperial and colonial ambitions and the events of the tumultuous beginning of the twentieth century. In an interdisciplinary investigation, this volume explores select female-authored, German-language texts focusing on German colonial wars and

World War I and the discourses that promoted or critiqued their premises. They examine how colonial conflicts contributed to a persistent atmosphere of *Kriegsbegeisterung* (war enthusiasm) that eventually culminated in the outbreak of World War I, or a *Kriegskritik* (criticism of war) that resisted it. The span from German colonialism to World War I brings these explosive periods into relief and challenges readers to think about the intersection of nationalism, violence and gender and about the historical continuities and disruptions that shape such events.
