Expert advice on
building a resume
to get the job you
want! Your resume
is the most

important financial document you'll ever create. When it works, so do you. Drawing on more than thirty years of experience, bestselling author Martin Yate shows you how to write a dynamic, effective resume that: Stands out in a resume database Builds a strong personal brand employers will want on their team Passes recruiters' six-second scan test Speaks to exactly what employers are looking for The new edition of this classic guide includes dozens of sample resumes as well as cutting-edge advice on resume-writing tactics. With Knock

'em Dead Resumes, 12th Edition, you'll grab employers' attention--and score the job you want. *Network World* McGraw Hill Professional For more than 20 years, Network World has been the premier provider of information, intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations. Readers are responsible for designing, implementing and managing the voice, data and video systems their companies use to support everything from business critical applications to employee

collaboration and electronic commerce. InfoWorld Simon and Schuster Polish up that old resume—and land your dream job We've all been there: it's time to apply for a job or internship and you have to create or revise your resume. Many questions pop in your head. What do employers want? What skills should I highlight? How do I format this? How do I get noticed? But resume writing doesn't have to be a daunting task. The latest edition of *Resumes For Dummies* answers

all of these questions up with the current and more—whether you're a resume rookie, looking for new tips, or want to create that eye-catching winning resume. In this trusted guide, Laura DeCarlo decodes the modern culture of resume writing and offers you insider tips on all the best practices that'll make your skills shine and your resume pop. Let's start writing! Write effective resumes that will stand out in a crowd. Understand Applicant Tracking Systems and how to adapt your resume. Keep your resume

up with the current culture. Position a layoff or other career change and challenge with a positive spin. Leverage tips and tricks that give your resume visual power. In order to put your best foot forward and stand out in a pile of papers, it's important to have an excellent and effective resume—and now you can.

101 Best Resumes to Sell Yourself
John Wiley & Sons
Need serious help with your resume? Turn to the employment

expert Dr. Phil calls it the best of the best! What does Tony Beshara do that most resume experts don't? While the experts write resumes all day, Tony, the veteran placement specialist featured regularly on the Dr. Phil show, actually uses them to get people jobs. With *Unbeatable Resumes*, Tony dissects and discusses real-life

resumes for jobs in a wide range of industries from healthcare to banking, construction to technology, administration to sales and marketing, and more. The book shows readers how to build a powerful resume, utilize keywords effectively, use gaps and job changes to their advantage, and pair their resumes with concise,

dynamic cover letters. He complements his expertise (he has personally placed more than 8,500 professionals) with the results of a survey of more than 3,000 managers, executives, HR specialists, and other hiring authorities about what gets resumes read, interviews granted, and jobs offered. Readers will learn: • The critical

components of well-written resumes • How to ensure their resume actually gets read... by the right people • What employers look for, and what turns them off • How to customize a resume for a particular job • The truth about video resumes, job-search websites, and social networking sites like FaceBook, LinkedIn, and MySpace • And much more
