A Study of Entry-level Firefighter Physical Ability Exam Components for the Coos Bay Fire Department  
Rand Corporation

With this book you will gain insight into the crucial part of the exam- the interview. While it is important for a candidate to focus on the written and physical ability parts of the exam, the interview often accounts for up to 100% of a candidate's overall score. Lepore has proctored hundreds of entry-level and promotional interviews. He shares his unique ability to see the interview through the eyes of the rater. This book is presented in a question-answer format. It provides the candidate with a strong foundation on how to answer over 100 of the questions most commonly asked by fire departments across the country, and provides the rationale as to why the answer is correct. Answers to common situational questions deal with: moral issues, legal issues, violations of policies and procedures, ethical dilemmas, societal obligations, interpersonal conflicts. This updated book includes additional questions and answers.

Mechanical Aptitude Test Simon and Schuster

In Firefighter Oral Interview Prep Workbook, authors Amatrudo and Peltz show the reader how to prepare high-scoring responses to entry-level, career fire service interview questions. They draw on their many decades of professional experience as interviewers to explain what panelists want to hear. They not only demonstrate how to create effective answers but also explain why so many replies fail. This is not a book that just models responses that are supposed to be memorized. Instead, it explains the thinking from which good answers can be constructed. Using an easy-to-understand, step-by-step, interactive approach, the authors create blue prints for the candidate. This approach allows the applicant to develop an individualized, well-focused, and extremely thorough response. This book covers everything, from how

to dress and make a great first impression to strategies for reducing interviewing anxiety, from how to prepare for each of the twenty basic question types to how respond to the unexpected question, and it even explores how to sit for the occasionally used video interview. Using well over 100 questions asked by actual interview boards, Amatrudo and Peltz share their time-tested approach - the same method that they use in their classes and that has helped thousands of their clients. Firefighter Oral Interview Prep Workbook has been called the best prep book of its kind. In it, Amatrudo and Peltz show candidates how to build great answers and how to demonstrate to the panelists that they think like firefighters. Deputy Chief Mark Amatrudo has been active in the fire service for over 40 years. He is an expert in interviewing for all levels in the fire service and has served on interview panels. He was an instructor at the Connecticut Fire Academy, serves as Assistant Chief for the North Branford Volunteer Fire Department, and is the Deputy Fire Chief of the Wilton Fire Department. Bill Peltz has over forty years of classroom teaching, administration, and professional development experience. He teaches a firefighter exam and interviewing prep course at Norwalk Community College in Connecticut and is an interview coach.

Brannigan's Building Construction for the Fire Service, Fourth Edition is a must read for fire fighters, prospective fire fighters, and fire science students. This edition continues the Brannigan tradition of using plain language to describe technical information about different building types and their unique hazards. This text ensures that critical fire fighting information is easy-to-understand and gives valuable experience to fire fighters before stepping onto the fireground. The first edition of Building Construction for the Fire Service was published in 1971. Frank Brannigan was compelled to write the most comprehensive building construction text for the fire service so that he could save fire fighters' lives. His passion for detail and extensive practical experience helped him to develop the most popular text on the market. His motto of: "Know your buildings," informs every aspect of this new edition of the text. Listen to a Podcast with Brannigan's Building Construction for the Fire Service, Fourth Edition co-author Glenn Corbett to learn more about this training program! Glenn discusses his relationship with the late Frank Brannigan, the dangers of heavy construction timber, occupancy specific hazards, and other areas of emphasis within the Fourth Edition.
