Our books collection saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Epic Pocket Guide is universally compatible with any devices to read

Pojo's Unofficial Big Book of Pokemon Astra Publishing House
Odysseus is one of the greatest heroes of Greek culture. Known for his cunning and intelligence, he was instrumental in helping the Greeks emerge victorious in the Trojan War. But it was his adventures after the ten-year war ended that inspired Homer to immortalize him in The Odyssey. The ancient Greeks felt a special kinship with Odysseus. While they admired physical prowess and respected courage and determination, they revered cunning and intelligence above all. Find out how Odysseus uses his brains and his brawn to fight a flesh-eating Cyclops; endure the Sirens' song, which lured sailors to their death; and outmaneuver deadly rocks that crushed ships trying to pass through them. Then see how he regains mastery in his kingdom when he returns to Ithaca and his queen, who has waited for him patiently for twenty years.

Michael Jordan Bellwether Media
Exploring legends from across the globe, this narrative text presents the story of the mermaid, offering possible scientific explanations for the myths. Bright images and a playful design will keep even the most reluctant readers interested, while a glossary helps build vocabulary. A broad spectrum of ideas encourages critical thinking.
The Pocket Guide to Camping Enslow Publishing, LLC
NCSS/CBC Notable Social Studies Trade Book • NSTA Best STEM Book List This riveting nonfiction picture book biography explores both the failures and successes of self-taught engineer Emma Lilian Todd as she tackles one of the greatest challenges of the early 1900s: designing an airplane. Emma Lilian Todd's mind was always soaring--she loved to solve problems. Lilian tinkered and fiddled with all sorts of objects, turning dreams into useful inventions. As a child, she took apart and reassembled clocks to figure out how they worked. As an adult, typing up patents at the U.S. Patent Office, Lilian built the inventions in her mind, including many designs for flying machines. However, they all seemed too impractical. Lilian knew she could design one that worked. She took inspiration from both nature and her many failures, driving herself to perfect the design that would eventually successfully fly. Illustrator Tracy Subisak's art brings to life author Kirsten W. Larson's story of this little-known but important engineer.

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

It Figures! Gibbs Smith
Snoopy is one small dog with one huge imagination! From day to day, he can be found stalking the other Peanuts characters as a fierce ready-to-prey vulture, leopard, mountain lion, piranha, or creature from the sea. But his grandest flights of fancy are when he’s airborne as the Flying Ace on his Sopwith Camel seeking out the evil Red Baron. His forays take him through the World War I French countryside in repeated attempts to achieve his quest. In Snoopy: Contact!, enjoy his adventures along with his other unusual encounters: catching bird burglars stealing his Van Gogh, challenging Lucy to an arm-wrestling contest, and becoming the Cheshire beagle.

Basketball Superstar Lerner Publishing Group
Continuing the success of the Pocket Guide series, Andrew Taylors Pocket Guide to Poets and Poetry starts with a history of poetry, setting the poets and their work in the context of their time and the influence of their work including political agenda, festivities and historical celebrations and their chosen genre. The poets are reviewed with their individual biographies, including their genre and best works. A must for everyone interested in poetry, those looking for more information about their favorite poets, as well as seeking to discover new favorites. It will also appeal to collectors of the Pocket Guide series by Remember When which includes The Pocket Guide to the Classics and The Pocket Guide to Plays and Playwrights.
