Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

A single volume that gathers together three of the most remarkable novels from Jean Echenoz, the "most distinctive French voice of his generation" (The Washington Post), Three by Echenoz demonstrates the award-winning author's extraordinary versatility and elegant yet playful style at its finest. "A parodic thriller sparkling with wit" (L'Humanité), Big Blondes probes our universal obsession with fame as a television documentary producer tries to track down a renowned singer who has mysteriously disappeared. "Fluid, never forced...like a garment that fits beautifully even inside-out" (Elle), Piano brings Dante's Inferno to contemporary Paris, following Max Delmarc, a concert pianist suffering from paralyzing stage fright and alcoholism, as he meets his untimely death and descends through purgatory—part luxury hotel, part minimum-security prison—into a modern vision of hell. THE following translation was undertaken from a desire to lay before the English-speaking people the full treasury of epic beauty, folklore, and mythology comprised in The Kalevala (the Land of Heroes, the national epic of the Finns.) The Kalevala describes Finnish nature very minutely and very beautifully. Grimm says that no poem is to be compared with it in this respect. A deeper and more esoteric meaning of the Kalevala, however, points to a contest between Light and Darkness. The numerous myths of the poem are likewise full of significance and beauty, and the Kalevala should be read between the lines, in order that the full meaning of this great epic may be comprehended.

The whole poem is replete with the most fascinating folk-lore about the mysteries of nature, the origin of things, the enigmas of human tears, and, true to the character of a national epic, it represents not only the poetry, but the entire wisdom and accumulated experience of a nation. One of the most notable characteristics of the Finnish mythology is the interdependence among the gods. The Finnish deities, like the ancient gods of Italy and Greece, are generally represented in pairs. They have their individual abodes and are surrounded by their respective families. The Sun and the Moon each have a consort, and sons and daughters. Only two sons of Paeivae appear in The Kalevala, one comes to aid of Wainamoinen in his efforts to destroy the mystic Fire-fish, by throwing from the heavens to the girdle of the hero, a "magic knife, silver-edged, and golden-handled;" the other son, Panu, the Fire-child, brings back to Kalevala the fire that had been stolen by Louhi, the wicked hostess of Pohyola. 10% of the net profit from the sale of this book will be donated to charities.
