Farm Equipment Guide

Blue Book For Farm Machinery! If you appraise, evaluate, repair, identify or own farm equipment, this blue book is your single source to thousands of prices, serial numbers and specifications on over 100 top manufacturers! Covers equipment manufactured after 1985 & tractors over 46hp.
Our new Serial Number Guide app lets you ... - Equipment World
Serial number lists almost always show the production year, not the actual calendar year the tractor was built. This information is generally more useful, because major changes would have been made to a model at the start of the production year, not on January 1. Read the number carefully On older tractors, the serial number plate has often faded.

Serial Box is your go-
to Heavy Equipment
Serial Number guide.
At Serial Box, we

believe the first step
in buying construction
equipment related to
the construction
industry, such as
Caterpillar, Komatsu,
John Deere and Bobcat
is validating the
machine's serial
number. The team at
Serial Box has worked
over the course of the
last year to compile
and validate one of the
largest collections of
serial numbers in the
world. The concept for
Serial Box began many
years ago while trying
to solve ...
