File a claim online or by phone 24/7. If we can't repair it, we'll replace it or reimburse the purchase price with an Amazon e-gift card. Plans are only valid for new or certified refurbished products purchased in the last 30 days with no pre-existing damage. Protection plan documents will be delivered via email within 24 hours of purchase. Manual Droid Eris ROM Update Available - PhoneNews.com

Using the phone Making calls You can make a call at any time by choosing an off-hook method (such as lifting the handset, pressing a Line key, or pressing HEADSET or SPEAKER), and then dialing a number. When the phone is in idle mode or has calls on hold, you can make a call by pre-dialing a phone number and then going off hook to call the number.

If your phone shares a power

outlet with a modem, or if it is plugged in to a shared surge protector, try plugging the phone (or modem/surge protector) in at a different location. If this solves the problem, re-locate your phone or modem farther apart from one another, or use separate surge protectors. Tip 8 of 9. You may have a line problem ...
