While liberal feminism is established in academic philosophy, much of the classical-liberal or libertarian feminist literature is oriented towards a more popular audience. (Note that there is dispute over whether classical-liberal or libertarian feminism ought to be considered a version of liberal feminism (see section 2.7)).
Liberal Feminism (Stanford Encyclopedia of Philosophy)
Liberalism is a political and moral philosophy based on liberty, consent of the governed and equality before the law. Liberals espouse a wide array of views depending on their understanding of these principles, but they generally support free markets, free trade, limited government, individual rights (including civil rights and human rights), capitalism, democracy, secularism, gender equality ...

Neoliberal philosophy creates a specific political problem for girls and women. The case of the female body illustrates this perfectly: On the one hand, women's bodies are seen as material objects which can be sold through pornography and "sex work," to be consumed like any other product in the market.

Evangelical churches are actually not patriarchal, even with mostly male leaders. Nor are they feminized. They do not emasculate men in order to appeal to women's sensibilities or desires. "Feminized" is the wrong word to describe the sermon content, music styles, programs, décor, and the like of many evangelical churches.

Philosophy of sex is an aspect of applied philosophy involved with the study of sex and love. It includes both ethics of phenomena such as prostitution, rape, sexual harassment, sexual identity, the age of consent, homosexuality, and conceptual analysis of concepts such as "what is sex?" It also includes questions of sexuality and sexual identity and the ontological status of gender.

The Literature of White Liberalism | Boston Review

The objectives of “political and erotic revolt” are rendered ostensibly tenable by the “philosophy of meaninglessness.” The division of sex and gender also hinges upon such dysteleology. Ultimately, the “philosophy of meaningless” camouflages revolutionary objectives.
