REA's TExES Core Subjects EC-6 (291) Test Prep with Online Practice Tests Gets You Certified and in the Classroom! Texas teacher candidates seeking a generalist certificate for early childhood and elementary school are required to take the TExES Core Subjects EC-6 (291) test. REA's all-new test prep offers extensive coverage of the five subject areas assessed on the Core Subjects EC-6 exam: \* English Language Arts and Reading & the Science of Teaching Reading (801) \* Mathematics (802) \* Social Studies (803) \* Science (804) \* Fine Arts, Health and Physical Education (805) The Core Subjects (291) test was launched in January 2015; it replaced the TExES Generalist (191) test. Whether you are a traditional college student or a career-changing professional, REA's TExES Core Subjects EC-6 (291) with Online Practice Tests is designed to help you pass the test so you can get certified and start your teaching career. Written by a team of noted teaching experts led by award-winning Texas-based author Dr. Luis Rosado, this test prep is relevant, up-to-date, and practical. This is focused prep custom-built for the TExES Core Subjects exam EC-6, with the right blend of review and practice content. The book contains five targeted subject reviews that align with each Core Subjects subtest. To help set your study path and boost your confidence, we provide an online diagnostic test plus two full-length practice exams (one in the book and one online at the REA Study Center). Spanning more than 600 questions, the tests cover every domain and competency. In addition, computerized testing at the REA Study Center comes with automatic timing and scoring, as well as diagnostic feedback on every question to help you zero in on the topics that give you trouble now, so you can succeed on test day. REA's TExES Subjects EC-6 (291) is a must-have for anyone who wants to teach early childhood and elementary school.

The TExES EC-6 Generalist and the ESL Supplement Prentice Hall

This is the only introduction to teaching text that is specifically built around the new Texas standards for teacher certification. It is also the only Texas-specific book that combines practice with a solid grounding in theory, going beyond available practice TExES books that provide only limited theoretical information. With Nath and Cohen's text as their guide, students will pass the Texas certification test--and also learn a great deal about effective teaching techniques. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

TExES ESL Supplemental (154), 2nd Ed., Book + Online Cirrus Test Prep

TExES English as a Second Language Supplemental (ESL) Practice Questions are the simplest way to prepare for your TExES test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our TExES ESL Supplemental Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our TExES ESL Supplemental Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
