Three Women Sterling Publishing Company
hip•ster - \hip-stur (s)\ n. One who possesses tastes, social attitudes, and opinions deemed cool by the cool. (Note: it is no longer recommended that one use the term "cool"; a Hipster would instead say "deck.") The Hipster walks among the masses in daily life but is not a part of them and shuns or reduces to kitsch anything held dear by the mainstream. A Hipster ideally possesses no more than 2% body fat. Clues You Are a Hipster 1. You graduated from a liberal arts school whose football team hasn't won a game since the Reagan administration. 2. You frequently use the term "postmodern" (or its commonly used variation "PoMo") as an adjective, noun, and verb. 3. You carry a shoulder-strap messenger bag and have at one time or another worn a pair of horn-rimmed or Elvis Costello-style glasses. 4. You have refined taste and consider yourself exceptionally cultured, but have one pop vice (ElimiDATE, Quiet Riot, and Entertainment Weekly are popular ones) that helps to define you as well-rounded. 5. You have kissed someone of the same gender and often bring this up in casual conversation. 6. You spend much of your leisure time in bars and restaurants with monosyllabic names like Plant, Bound, and Shine. 7. You bought your dishes and a checkered tablecloth at a thrift shop to be kitschy, and often throw vegetarian dinner parties. 8. You have one Republican friend whom you always describe as being your "one Republican friend." 9. You enjoy complaining about gentrification even though you are responsible for it yourself. 10. Your hair looks best unwashed and you position your head on your pillow at night in a way that will really maximize your cowlicks. 11. You

own records put out by Matador, DFA, Definitive Jux, Dischord, Warp, Thrill Jockey, Smells Like Records, and Drag City. Basic Black Crown

Behind nearly every item in the modern male wardrobe is a "first of its kind" the definitive item, often designed for specialist use, on which all subsequent versions have been based. Icons of Men's Style examines, garment by garment, the most important and famous of these products their provenance and history, the stories of their design, the brand/company that started it all, and how the item shaped the way men dress today.

The Handbook of Style : a Man's Guide to Looking Good Hardie Grant

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

Nordstrom Guide to Men's Style Hearst

Hundreds of Money-Saving Hints to Create Your Own Great Look Laurence King Publishing

A hilarious and indispensable guide to the weirdness of the workplace from Esquire editor and Entrepreneur etiquette columnist Ross McCammon Ten years ago, Ross McCammon made an incredible and unexpected transition from working at an in-flight magazine in suburban Dallas to landing his dream job at Esquire in New York. What

followed was a period of almost debilitating anxiety and awkwardness—interspersed with minor instances of professional glory—as McCammon learned how to navigate the workplace while feeling entirely ill-equipped for achieving success in his new career. *Works Well with Others* is McCammon’s “relentlessly funny and soberingly insightful”* journey from impostor to authority, a story that reveals the workplace for what it is: an often absurd landscape of ego and fear guided by social rules that no one ever talks about. By mining his own experiences at the magazine, McCammon provides advice on everything from firm handshakes to small talk in elevators to dealing with jerks and underminers. Here is an inspirational new way of looking at your job, your career, and success itself; an accessible guide for those of us who are smart, talented, and ambitious but who aren’t well-“leveraged” and don’t quite feel prepared for success . . . or know what to do once we’ve made it. *Entertainment Weekly

Works Well with Others McClelland & Stewart

Features more than 1,000 tips, tricks and techniques for modern men looking to be successful, confident and stylish at work and at play, whether it's a big meeting with management, going on a first date, or attending a black-tie gala.

With instructive illustrations and loads of tips, *The Style Bible* is essential reading for every man who wants to dress to impress.

Esquire How to Be a Man Harper Collins

This beautiful photographic collection is a celebration of modern menswear. In it, photographer Jamie Ferguson profiles men from the fashion industry, covering a range of ages, geographical locations and personal styles. Each of the men profiled works in menswear, but enjoys passions of his own. Tommaso Capozzoli (Sales Director) is also a rower who belongs to an exclusive club whose headquarters sit below the Ponte Vecchio in Florence; Hooman Majd is a world renowned Iranian-American journalist and author; Michael Hill is the founder and creative genius behind Drake's haberdashery in London, New York, Seoul and Tokyo, Simon Crompton is a keen cyclist, and Antonio Ciongoli a gifted skateboarder. This Guy captures not only their impeccable style from London, Paris, New York, Stockholm, Tokyo and Rome but also the lives that made them. Full of aspirational life stories, beautiful photography, and cutting-edge fashion, *This Guy* is the perfect luxury coffee-table book for anyone who appreciates the finer things in life.

Esquire Mitchell Beazley

Beards—they’re all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The *New York Times* traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today’s bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great’s beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today’s bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man’s choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the

choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.
