Essays Paperback

The novel *The Help* by Kathryn Stockett takes place in Jackson, Mississippi, during the 1960s. A period that saw the segregation of blacks and the superiority of whites dominate the southern United States. The novel focuses on the colored help and their work environment, greatly emphasizing the help's relations with their white employers.

The essays themselves are printed in chronological order, which is a lovely touch Lastly, it is a relatively dinky hardbound edition, with the typical Everyman's "Livery". It comes with a golden tassel stitched to it as a sort of in-house bookmark, and all is printed in a decent font, in a print which isn't too small.

novel Essays Sample & Examples - Bla Bla Writing

The first step to writing an essay about a novel is to determine the main idea or argument. Millsaps College advises students, "Your essay should not just summarize the story's action or the writer's argument; your thesis should make an argument of your own." If the point you are making seems too general or too obvious, be more specific.
