"A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts

forever."—Susanna Kearsley,

New York Times bestselling

author of *Belleweather* and *The*

Vanished Days A historical

novel inspired by true events,

Kelli Estes's brilliant and

atmospheric debut is a poignant

tale of two women determined to

do the right thing, highlighting

the power of our own stories.

The smallest items can hold

centuries of secrets... While

exploring her aunt's island estate,

Inara Erickson is captivated by

an elaborately stitched piece of

fabric hidden in the house. The

truth behind the silk sleeve dated

back to 1886, when Mei Lien, the

lone survivor of a cruel purge of

the Chinese in Seattle found

refuge on Orcas Island and shared

her tragic experience by

embroidering it. As Inara peels

back layer upon layer of the

centuries of secrets the sleeve

holds, her life becomes

interwoven with that of Mei Lein.

Through the stories Mei Lein tells

in silk, Inara uncovers a tragic

truth that will shake her family to

its core—and force her to make an

impossible choice. Should she

bring shame to her family and

risk everything by telling the

truth, or tell no one and dishonor

Mei Lien's memory? A touching

and tender book for fans of Marie

Benedict, Susanna Kearsley, and

Duncan Jepson, *The Girl Who*

Wrote in Silk is a dual-time

period novel that explores how a

delicate piece of silk interweaves

the past and the present,

reminding us that today's actions

have far reaching implications.

Praise for *The Girl Who Wrote in*

Silk: "A beautiful, elegiac novel,

as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

Cue St. Martin's Griffin

An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies*

(September 2013). *The First Lie* gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. It's 1958 in rural North Carolina, where Ivy lives with her grandmother and sister on a tobacco farm. As tenant farmers, Ivy and her family don't have much freedom, though she and her best friend, Henry, often sneak away in search of adventure...and their truest selves. But life on the farm takes a turn when Ivy's teenage sister gives birth—all the while maintaining her silence about the baby's father. Soon Ivy finds herself navigating the space between adolescence and adulthood as she tries to unravel a dark web of family secrets and make sense of her ever-evolving

life in the segregated South. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, *New York Times* bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, *New York Times* bestselling author of *Drowning Ruth* *The Immortal Game* Harper Collins

devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little

doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles

was made, but, if so, there is now no certainty that any fragments of them remain.

An extraordinary masterpiece written from personal experience, Middlemarch is a deep psychological observation of human nature that revolves around the issues of love, jealousy, and obligation. Eliot's feminist views are apparent through the novel: she stresses the fact that women should control their own lives.

Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink

If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the

right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house.

Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated.
