Dead Heat Ranch Novella, #0.5 New York Times bestselling author Nicole Edwards is heating things up with Boots Optional, a sexy new menage novella which is the first book in a hot new series called Dead Heat Ranch. Grace Lambert is familiar with hard work, long days, and handsome cowboys. She's been working for her family's dude ranch since she was old enough to ride a horse and she's not afraid to get her hands dirty. What she is

afraid of is the heat that's been generating between her and not one, but two sexy cowboys who've set their sights on her. And each other. Grant Kingsley and Lane Miller have both had their eyes on Gracie for years, but the feisty cowgirl has managed to keep them at bay. As far as they are concerned, cowboys don't give up, and neither of them is ready to give up just yet. Not on her and not on the heat that transpires between the two of them. Find out what happens when the sultry Texas nights get as hot as the fierce Texas days.

THEIRLOVEISUNDENIABLE... Happily married for four and a half years, Beau and Ethan Walker are ready for the next phase in their lives. They want what so many people dream of: A baby.  
THEIRCOMMITMENTISUNWAVERING...  
Expanding their family with a tiny bundle of joy

isn't as easy for them as it is for the rest of the Walker clan. However, they have options and they're willing to do what it takes because they've learned that the things worth fighting for aren't always easy, but they are definitely worth it.

THEIRSTRENGTHWILLBETESTED... Despite their deep desire and their endless efforts to start a family, there are outside forces working against them. Some they can see, others they can't. Every step forward seems to take them two steps back. Only during their darkest moments do Beau and Ethan realize their true strength comes from the most important things they have: love, family, and each other. BEAU is the sequel to ETHAN (Alluring Indulgence, 5). While it can be read as a standalone since it occurs nearly five years after Beau and Ethan are married, it is recommended that you read ETHAN to understand the true strength of these two men and the infallible bond of the Walker family.

The definitions of fatherhood have shifted in the twenty-first century as paternal subjectivities, conflicts, and desires have registered in new

ways in the contemporary family. This collection investigates these sites of change through various lenses from popular culture - film, television, blogs, best-selling fiction and non-fiction, stand-up comedy routines, advertisements, newspaper articles, parenting guide-books, and video games. Treating constructions of the father at the nexus of patriarchy, gender, and (post)feminist philosophy, contributors analyze how fatherhood is defined in relation to masculinity and femininity, and the shifting structures of the heteronormative nuclear family. Perceptions of the father as the traditional breadwinner and authoritarian as compared to a more engaged and involved nurturer are considered via representations of fathers from the US, Canada, Britain, Australia, South Africa, and Sweden.

It could be any downtown office in any big city, in fact. New York, Chicago, Dallas. The location doesn't matter. It's even feasible to think that you're a secretary for a multibillion-dollar PR firm. You could even have four bosses like I do. Four mouthwatering male bosses, even. But, like I said, at that point, our stories will likely be drastically different. In order for you to understand why, I'll have to start at
