The Unseen World: A Novel Macmillan Publishing Company

A Journey is a short story by Edith Wharton. Edith Wharton (born Edith Newbold Jones; January 24, 1862 – August 11, 1937) was a Pulitzer Prize-winning American novelist, short story writer, and designer. She was nominated for the Nobel Prize in Literature in 1927, 1928 and 1930. Wharton combined her insider's view of America's privileged classes with a brilliant, natural wit to write humorous, incisive novels and short stories of social and psychological insight. She was well acquainted with many of her era's other literary and public figures, including Theodore Roosevelt.Wharton was born to George Frederic Jones and Lucretia Stevens Rhinelanders in New York City. She had two brothers, Frederic Rhinelanders and Henry Edward. The saying "Keeping up with the Joneses" is said to refer to her father's family. She was also related to the Rensselaer family, the most prestigious of the old patroon families. She had a lifelong friendship with her Rhinelanders niece, landscape architect Beatrix Farrand of Reef Point in Bar Harbor, Maine.In 1885, at 23, she married Edward (Teddy) Robbins Wharton, who was 12 years older. From a well-established Philadelphia family, he was a sportsman and gentleman of the same social class and shared her love of travel. From the late 1880s until 1902, he suffered acute depression, and the couple ceased their extensive travel. At that time his depression manifested as a more serious disorder, after which they lived almost exclusively at The

Mount, their estate designed by Edith Wharton. In 1908 her husband's mental state was determined to be incurable. She divorced him in 1913. Around the same time, Edith was overcome with the harsh criticisms leveled by the naturalist writers. Later in 1908 she began an affair with Morton Fullerton, a journalist for The Times, in whom she found an intellectual partner.In addition to novels, Wharton wrote at least 85 short stories. She was also a garden designer, interior designer, and taste-maker of her time. She wrote several design books, including her first published work, The Decoration of Houses of 1897, co-authored by Ogden Codman. Another is the generously illustrated Italian Villas and Their Gardens of 1904.

Edith Wharton ’ s controversial novel Summer is the story of Charity Royall, an ambitious young woman trapped in a stifling small town by both her gender and her social class. When a visiting stranger arrives in town, Charity is awakened to a wider world of possibilities and to the realities that constrain her. Published in 1917, the novel was both attacked and ignored for openly acknowledging female sexuality and its many inequities. Later generations of critics have come to regard the book as an important turning point in Wharton ’ s work and a spiritual companion to her classic novel, Ethan Frome. "An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by The San Francisco Examiner on July 13, 1890, and was first collected in Bierce's book Tales of Soldiers and Civilians (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

A side from her Pulitzer Prize-winning talent as a novel writer, Edith Wharton also distinguished herself as a short story writer, publishing more than seventy-two stories in ten volumes during her lifetime. The best of her short fiction is collected here in Roman Fever and Other Stories. From her picture of erotic love and illegitimacy in the title story to her exploration of the aftermath of divorce detailed in "Souls Belated" and "The Last Asset," Wharton shows her usual skill "in dissecting the elements of emotional subtleties, moral ambiguities, and the implications of social restrictions," as Cynthia Griffin Wolff writes in her introduction. Roman Fever and Other Stories is a surprisingly contemporary volume of stories by one of our most enduring writers.

This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

With Sandra Dallas's incomparable gift for creating a sense of time and place and characters that capture your heart, The Last Midwife tells the story of family, community, and the secrets that can destroy and unite them. It is 1880 and Gracy Brookens is the only midwife in a small Colorado mining town where she has delivered hundreds, maybe thousands, of babies in her lifetime. The women of Swandyke trust and depend on Gracy, and most couldn't imagine getting through pregnancy and labor without her by their sides. But everything changes when a baby is found dead...and the evidence points to Gracy as the murderer. She didn't commit the crime, but clearing her name isn't so easy when her innocence is not quite as simple, either. She knows things, and that's dangerous. Invited into her neighbors' homes during their most intimate and vulnerable times, she can't help what she sees and hears. A woman sometimes says things in the birthing bed, when life and death seem suspended within the same moment. Gracy has always tucked those revelations away, even the confessions that have cast shadows on her heart. With her friends taking sides and a trial looming, Gracy must decide whether it's worth risking everything to prove her innocence. And she knows that her years of discretion may simply demand too high a price now...especially since she's been keeping more than a few dark secrets of her own.

SAT Writing Study Guide Harper Collins

A pair of masterly short novels, featuring an introduction by Elizabeth Strout, the Pulitzer Prize–winning author of Anything Is Possible and My Name Is Lucy Barton Thought Edith Wharton is best known for her cutting contemplation of fashionable New York, Ethan Frome and Summer are set in small New England towns, far from Manhattan’s beau monde. Together in one volume, these thematically linked short novels display Wharton’s characteristic criticism of society’s hypocrisy, and her daring exploration of the destructive consequences of sexual appetite. From the wintry setting of Ethan Frome, where a man hounded by community standards is destroyed by the very thing that might bring him happiness, to the florid town of Summer, where a young woman’s first romance projects her into a dizzying rite of passage, Wharton captures beautifully the urges and failures of human nature. Praise for Edith Wharton and Ethan Frome “Ethan Frome [is considered] Mrs. Wharton’s masterpiece . . . The secret of its greatness is the stark human drama of it; the social crudity and human delicacy intermingled; the defiant, over-riding passion, and the long-drawn-out logic of the paid penalty. It has no contexts, no mitigations; it is plain, raw, first-hand human stuff.”—The New York Times “Ethan Frome [has] become part of the American mythology. . . . Wharton’s astonishing authority here is to render such pain with purity and economy . . . Truly it is a northern romance, akin even to Wuthering Heights.”—Harold Bloom “Traditionally, Henry James has always been placed slightly higher up the slope of Parnassus than Edith Wharton. But now that the prejudice against the female writer is on the wane, they look to be exactly what they are: giants, equals, the tutelary and benign gods of our American literature.”—Gore Vidal
