### The Age of Innocence Breely Crush Publishing

The best-known and most popular of Edith Wharton's novels, Ethan Frome is widely considered her masterpiece. Set against a bleak New England background, the novel tells of Frome and his ailing wife

Zeena and her companion Mattie Silver. Burdened by poverty and spiritually dulled by a loveless marriage to an older woman. Frome is passionately stirred by the arrival of a youthful cousin who is employed as household help. Mattie's presence not only brightens a gloomy house but stirs long-hidden feelings in Ethan. Their growing love for one another, discovered by an resentful wife, foreshadows an ending to this grim tale that is both shocking and savagely ironic. Edith Wharton's Ethan Frome is a classic of American Literature, with compelling characters trapped in circumstances from which they seem unable to escape.

**Puzzle Pack** Simon and Schuster This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

The Custom of the Country by Edith Wharton Considered by many to be her masterpiece, Edith Wharton's second full-length work is a scathing yet personal examination of the exploits and follies of the modern upper class. As she unfolds the story of Undine Spragg, from New York to Europe, Wharton affords us a detailed glimpse of what might be called the interior world of this America and its nouveau riche fringes. Through a heroine who is as vain, spoiled, and

selfish as she is irresistibly fascinating, and through a most intricate and satisfying plot that follows Undine's marriages and affairs, she conveys a vision of social behavior that is both supremely informed and supremely disenchanted. - Anita Brookner We are delighted to publish this classic book as part of our extensive Classic Library collection. along the treacherous mountain roads. That journey ends in the death of Clay's mother. It's a day that comes to haunt her only son, who's left without a family and a history. This is the story of how Clay Sizemore, a coal miner in love with his town but unsure of his place within it, finds a family to call his own. And it's the story of the people who become part of the life he shapes: Aunt Easter, always filled with a sense of foreboding and bound to her faith above all; Uncle Paul, quietly producing quilt after quilt; Dreama, beautiful and flighty; Evangeline, the untameable daughter of a famous gospel singer; and Alma, the fiddler whose song wends its way into Clay's heart. Together, they all help Clay to fashion a quilt of a life from what treasured pieces are around him. Authentic and moving, Clay's Quilt is both the story of a young man's journey and of Appalachian people struggling to hold on to their heritage.

Published in 1917, the novel was both attacked and ignored for openly acknowledging female sexuality and its many inequities. Later generations of critics have come to regard the book as an important turning point in Wharton's work and a spiritual companion to her classic novel, *Ethan Frome*. This book is part of the Standard Ebooks project, which produces free public domain ebooks. The best of her short fiction is collected here in *Roman Fever and Other Stories*. From her picture of erotic love and illegitimacy in the title story to her exploration of the aftermath of divorce detailed in "Souls Belated" and "The Last Asset,"

Wharton shows her usual skill "in dissecting the elements of emotional subtleties, moral ambiguities, and the implications of social restrictions," as Cynthia Griffin Wolff writes in her introduction. *Roman Fever and Other Stories* is a surprisingly contemporary volume of stories by one of our most enduring writers. *Custom of the Country* W. After the war, the family traveled extensively in Europe. From 1866 to 1872, the Jones family visited France, Italy, Germany, and Spain. During her travels, the young Edith became fluent in French, German, and Italian. At the age of ten, she suffered from typhoid fever while the family was at a spa in the Black Forest. After the family returned to the United States in 1872, they spent their winters in New York and their summers in Newport, Rhode Island. While in Europe, she was educated by tutors and governesses. She rejected the standards of fashion and etiquette that were expected of young girls at the time, intended to enable women to marry well and to be displayed at balls and parties. She thought these requirements were

superficial and oppressive. Edith wanted more education than she received, so she read from her father's library and from the libraries of her father's friends. Her mother forbade her to read novels until she was married, and Edith complied with this command. Edith began writing poetry and fiction as a young girl. She attempted to write a novel at age eleven. Her first publication was a translation of the German poem, "Was die Steine Erzählen" ("What the Stones Tell") by Heinrich Karl Brugsch, which earned her \$50. She was 15 at the time. Her family did not wish her name to appear in print because the names of upper class women of the time only appeared in print to announce birth, marriage, and death.

Consequently, the poem was published under the name of a friend's father, E. A. Washburn. He was a cousin of Ralph Waldo Emerson and supported women's education. He played a pivotal role in Edith's efforts to educate herself, and he encouraged her ambition to write professionally. In 1877, at the age of 15, she secretly wrote a 30,000 word novella "Fast and Loose". In 1878 her father arranged for a collection of two dozen original poems and five translations, Verses, to be privately published. In 1880 she had five poems published anonymously in the Atlantic Monthly, then a revered literary magazine. Despite these early successes, she was not encouraged by her family nor her social circle, and though she continued to write,

she did not publish anything again until her poem, "The Last Giustiniani", was published in Scribner's Magazine in October 1889. On a warm afternoon in the fall of 1861 Carter Druse is on picket duty on top of a cliff overlooking a valley where five regiments of the Union army are resting. The enemy is near, and the Union force means to surprise them in the night unless "accident or vigilance" forewarns them. Druse had been sleeping but wakes to see a man on a horse surveying the activity in the valley below. He sights his rifle, but hesitates when the rider turns and seems to look straight at him. In a crisis of conscience, Druse questions where his duty lies.
