This book contains model
answers to the questions and
case studies asked in General
Studies-IV (GS-4) Civil
Services Mains Paper from
2013 to 2019 with detailed
information on the
background/framework of the
question/likely answer. It is
important to note that as a
subject in Civil Services
Examination, GS-4 is the only
subject where we have
comparatively well defined
syllabus and paper pattern.
Because of this, each
individual can score good

marks in the paper with lesser
efforts as compared to other
General Studies Papers, i.e. if
you dedicate 15-20 days to
this subject, you will not just
learn about the complete
subject but you can score
much more as compared to
other General Studies paper,
as they require much more
time because of their dynamic
nature. If we consider the
previous year question Papers
of General Studies-IV, the
questions were divided into
two parts as: 1. Theory-based
Questions (based on the
theoretical aspects of the
ethics), and 2. Case Studies
(based on the actual or
probable life situations). The
answers are divided into two
portions with first one detailing
about the framework of the
answer or background of the
question, giving details about
the basic idea of the question
or the form of case study. The
second part is the model
answer giving wider inputs on
the question. We hope that
wider considerations will help
the reader in understanding

the question and how to structure the answer, based on the question.
