??? ?? Schocken

Examines such key aspects of Judaism as the meaning of the Jewish holidays, how Jews regard Israel, and Jewish beliefs about God and human nature. By the author of When Bad Things Happen to Good People. 200,000 first printing. \$150,000 ad/promo. BOMC. Tour.

Finding Leah in the Bible and Midrash Harvard University Press
The authoritative new account of the Bible ' s origins, illuminating the 1,600-year tradition that shaped the Christian and Jewish holy books as millions know them today. The Bible as we know it today is best understood as a process, one that begins in the tenth century BCE. In this revelatory account, a world-renowned scholar of Hebrew scripture joins a foremost authority on the New Testament to write a new biography of the Book of Books, reconstructing Jewish and Christian scriptural histories, as

well as the underappreciated contest between them, from which the Bible arose. Recent scholarship has overturned popular assumptions about Israel ' s past, suggesting, for instance, that the five books of the Torah were written not by Moses but during the reign of Josiah centuries later. The sources of the Gospels are also under scrutiny. Konrad Schmid and Jens Schr ö ter reveal the long, transformative journeys of these and other texts en route to inclusion in the holy books. The New Testament, the authors show, did not develop in the wake of an Old Testament set in

stone. Rather the two evolved in parallel, in conversation with each other, ensuring a continuing mutual influence of Jewish and Christian traditions. Indeed, Schmid and Schröter argue that Judaism may not have survived had it not been reshaped in competition with early Christianity. A remarkable synthesis of the latest Old and New Testament scholarship, *The Making of the Bible* is the most comprehensive history yet told of the world's best-known literature, revealing its buried lessons and secrets.

Evolving Thought and Practice
Anchor

A major Conservative movement leader of our time, Elliot N. Dorff provides a personal, behind-the-scenes guide to the evolution of Conservative Jewish thought and practice over the last half century. His candid observations concerning the movement's ongoing tension between constancy and change shed light on the sometimes

unified, sometimes diverse, and occasionally contentious reasoning behind the modern movement's most important laws, policies, and documents. Meanwhile, he has assembled, excerpted, and contextualized the most important historical and internal documents in modern Conservative movement history for the first time in one place, enabling readers to consider and compare them all in context. In "Part 1: God" Dorff explores various ways that Conservative Jews think about God and prayer. In "Part 2: Torah" he considers different approaches to Jewish study, law, and practice; changing women's roles; bioethical rulings on issues ranging from contraception to cloning; business ethics; ritual observances from online minyanim to sports on Shabbat; moral issues from capital punishment to protecting the poor; and nonmarital sex to same-sex marriage. In "Part 3:

Israel" he examines Zionism, the People Israel, and rabbinic rulings in Israel.

Siddur Sim Shalom Maggid

An interactive study of the Five Books of Moses. The book can be read from cover to cover or used to study each portion of the Torah as read weekly in the synagogue. Simple enough for teenagers, it is sophisticated enough for adults and rich in resources for preparing lectures, sermons, and talks.

The Contemporary Torah U of Nebraska Press

One of the leading scholars of Hasidism and modern Jewish theology has brought together and translated a wide selection of the Torah teachings of the Sefat Emet—one of the last great masters of Polish Hasidism. Green's personal insightful commentary on the words of the Sefat Emet create a remarkable work of Jewish scholarship, bringing the teaching of this insightful master to a wide audience.

Reclaiming My Family's Jewish Identity—Our Journey from Vilna to the Suburban South

CCAR Press

In this groundbreaking and insightful new commentary, one of the world's leading biblical scholars unveils the unity and continuity of the Torah for the modern reader. Richard Elliott

Friedman, the bestselling author of *Who Wrote the Bible?*, integrates the most recent discoveries in biblical archaeology and research with the fruits of years of experience studying and teaching the Bible to illuminate the straightforward meaning of the text -- "to shed new light on the Torah and, more important, to open windows through which it sheds its light on us." While other commentaries are generally collections of comments by a number of scholars, this is a unified commentary on the Torah by a single scholar, the most unified by a Jewish scholar in centuries. It includes the original Hebrew text, a new translation, and an authoritative, accessibly written interpretation and analysis of each passage that remains focused on the meaning of the Torah as a whole, showing how its separate books are united into one cohesive, all-encompassing sacred literary masterpiece. This landmark work is destined to take its place as a classic in the libraries of lay readers and scholars alike, as we seek to understand the significance of the scriptural texts for our lives today, and for years to come.

Be-Midbar (Numbers 1:1-4:20) and Haftarah (Hosea 2:1-22) Lulu.com

Presents an English version of the Torah based on the renowned JPS 1985 translation, accompanied by separate p'shat and d'rash commentary themes, showing two approaches to interpreting the text. Also includes essays on key themes by prominent Conservative Movement rabbis and scholars; a special

section, halakhah l'ma-aseh, that points out where Jewish laws are based on biblical passages; and indications of traditional readings for Sephardic and Ashkenazic communities.

A Novel Anchor

On Rockingham Street explores, in memoir form, how assimilation of Jewish immigrants arriving from Eastern Europe was shaped and affected by the culture of Southern suburbia in the 1950s and 1960s. It probes the key questions of Jewish survival, including whether American Judaism has left many Jews unable to answer the question "Why are we Jewish?" and whether the education of Jewish youth by the modern American synagogue is adequate to maintain Judaism as a distinctive and meaningful voice.

The Five Books of Moses Oxford University Press

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good

paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.

Portion by Portion Behrman House, Inc
This adaptation of the JPS translation of the Torah (1962) will appeal to readers who are interested in a historically based picture of social gender roles in the Bible as well as those who have become accustomed to gender-sensitive English in other aspects of their lives. Many contemporary Bible scholars contend that the Bible's original audience understood that the references to God as male simply reflected gendered social roles at the time. However, evidence for this implicit assumption is ambiguous. Accordingly, in preparing this new edition, the editors sought language that was more sensitive to gender nuances, to reflect more accurately the perceptions of the original Bible readers. In places where the ancient audience probably would not have construed gender as pertinent to the text's plain sense, the editors changed words into gender-neutral terms; where gender was probably understood to be at stake, they left the text as originally translated, or even introduced gendered language where none

existed before. They made these changes regardless of whether words referred to God, angels, or human beings. For example, the phrase originally translated in the 1962 JPS Torah as "every man as he pleases" has been rendered here "each of us as we please" (Deut. 12:8). Similarly, "man and beast" now reads "human and beast" (Exod. 8:14), since the Hebrew word adam is meant to refer to all human beings, not only to males. Conversely, the phrase "the persons enrolled" has been changed to "the men enrolled" (Num. 26:7), to reflect the fact that only men were counted in census-taking at this time. In most cases, references to God are rendered in gender neutral language. A special case in point: the unpronounceable four-letter name for the Divine, the Tetragrammaton, is written in unvocalized Hebrew, conveying to the reader that the Name is something totally "other"-- beyond our speech and understanding. Readers can choose to substitute for this unpronounceable Name any of the numerous divine names offered by Jewish tradition, as generations have before our time. In some instances, however, male imagery depicting God is preserved because it reflects ancient society's view of gender roles. David Stein's preface provides an explanation of the methodology used, and a table delineates

typical ways that God language is handled, with sample verses. Occasional notes applied to the Bible text explain how gender is treated; longer supplementary notes at the end of the volume comment on special topics related to this edition. In preparing this work, the editors undertook a thorough and comprehensive analysis of the Torah's gender ascriptions. The result is a carefully rendered alternative to the traditional JPS translation. The single most innovative aspect of the gender-sensitive translation offered in *The Contemporary Torah* is its treatment of the Hebrew word 'ish as a term of affiliation more than of gender. Scholars seeking a fuller explanation of that treatment are invited to read David E.S. Stein's articles in the *Journal of Hebrew Scriptures* (2008) and in *Hebrew Studies* (2008). *The Five Books of Moses* ?? ???? Torah and Commentary Analysis of the primary Talmudic and rabbinic, sources relating to legal and extra-legal factors involved in halakhic decision-making. [The Halakhic Process](#) MIRA JPS is pleased to make available a new, more compact edition of the landmark publication, *Etz Hayim: A Torah Commentary*. This book, a publication of

the Conservative movement, was produced through a joint venture of the Rabbinical Assembly, the United Synagogue of Conservative Judaism, and The Jewish Publication Society. hardcover edition and is ideal for personal study and travel. It contains all the material in the original, excerpt for the essays. The Bible text, translations, and commentaries as well as the blessings, artwork, maps, glossary and other reference tools for the worshiper and student of Torah reader are included. use. **A Rabbinic Commentary on the New Testament** U of Nebraska Press The New York Times best-selling guide to being your best self, even when things don't turn out as you'd hoped. The beloved author of *When Bad Things Happen to Good People*, Rabbi Harold S. Kushner here turns to the experience of Moses to find the requisite lessons of strength and faith—the lessons that teach us how to overcome the disappointments that life inherently brings. We can learn how to meet all disappointments with faith in ourselves and the future, and how to respond to heartbreak—how to weather the disillusionment of dreams unfulfilled, the

pain of a lost job, divorce or abandonment, illness, and more—with understanding rather than bitterness and despair. With Kushner's signature warmth, *Overcoming Life's Disappointments* is a book of spiritual wisdom—as practical as it is inspiring. ????? ?? ??? ????????? Scholastic Inc.

Explores Divine regulation of the world. With Rabbi Yosef Begun's marginal notes. Vowelized, facing Hebrew and English texts.

Rosenberg and Wan-Long Shang tell the story of a boy caught in the middle of cultures, friends, and growing up Chinese-Jewish-American in this hilariously witty and heartwarming coming-of-age. [Hebrew-English Torah](#) Feldheim Publishers

What is Judaism? A religion? A faith? A way of life? A set of beliefs? A collection of commands? A culture? A civilization? It is all these, but it is emphatically something more. It is a way of thinking about life, a constellation of ideas. One might think that the ideas Judaism introduced into the world have become part of the common intellectual heritage of humankind, at least

of the West. Yet this is not the case. Some of them have been lost over time; others the West never fully understood. Yet these ideas remain as important as ever before, and perhaps even more so. In this inspiring work, Rabbi Sacks introduces his readers to one Life-Changing Idea from each of the weekly parashot.

[Sacred Fragments](#) Harper Collins

Etz Chaim—the Tree of Life The Torah, the Bible, the Tree of Life—God's Word is a set of instructions for everyone who wants to live a victorious, joyful, and abundant life. *Etz Chaim* explains a parable relating to the Tree of Life that the Lord spoke to the author—a Messianic Rabbi. The parable opens wide the unique components of the Word and the physical Tree of Life that is introduced in Genesis and again in Revelation. The LORD God made all kinds of trees grow out of the ground—trees that were pleasing to the eye and good for food. In the middle of the garden were the tree of life... (Genesis 2:9). Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give the right to eat from the tree of life, which is in the paradise of God (Revelation 2:7). The parable reveals seven aspects of the Tree of Life: The ground. The seed. The roots. The trunk. The branches. The leaves. The fruit. Each of these components brings seven life-changing conclusions to light that stimulate spiritual growth and maturity. The simple yet

profound image is powerful and compels you to into self-examination to assure your spiritual health and growth in each of the areas God wanted the author to share with you.

Etz Hayim Jewish Publication Society of America

Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions. The status of same-sex unions and the plight of the agunah (a woman who cannot obtain a divorce), are just two of a myriad of thorny questions Jewish legal experts grapple with today. These are not esoteric problems but issues with a profound impact on the daily happiness of countless people. How do the rabbis who draft responses to these questions reach their conclusions? What informs their decisions and their approach to Jewish law? Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent, accessible guide to the philosophy behind Jewish law. In his view, Jewish law is an expression of the love we have for God and for our fellow human beings. This theme permeates his discussion of important aspects of the law. For example, what

motivates modern Jews to follow Jewish law? How does Jewish law strike the balance between continuity and change? On what grounds and under what circumstances do human beings have the authority to interpret or even change God's laws? Dorff also offers a systematic comparison of Jewish law and U.S. law, based on his course on this subject at UCLA School of Law. Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions, this is a book that will deepen your understanding of the Jewish legal system and its role in the modern world.
