Bulletin Chandresh Agrawal

Curving or bending of time can be caused by a bounce from one side to

other. Barents Island in Norway is an inhospitable place where the

headquarters decided to establish a station K 1000. A monotonous life

as well as an overcrowded area on the station drive Henrik crazy. He is

only Norwegian there and meets Thea after a while. She is also only

Norwegian in this icy inferno. The headquarters have a complete

control over the world and people's lives on the planet at the present

time. They even try to take control over something, such as the spirit of

a human being and his dreams as well as his astral body that was

impossible in our era. The headquarters' desire is to acquire a total control to eliminate any possibilities of a riot or violation of the whole world system. A small group of anonymous people tries to disrupt the system till Henrik...
