Euro Pro 100-546 Serger reviews and information

I have a White super lock 534 serger with a cracked looper timing gear. I see that 2 other people have had similar issues and one of them did replace the gear. My question is what are the steps to remove the broken gear. There is a shaft at the bottom of the serger holding this gear and other parts in place.

### Euro Pro Serger 534 Dsi

Sergers made by Euro Pro are strong sewing machines that produce even stitches. The basic operation of the machine begins with needle placement, setting up the threads and chaining off. The Euro Pro serger model 101-548 is a 2-3-4 thread machine

and can function with two threads, three threads or four threads.
