Rise Canon Press & Book Service

From the author of the twenty-five-million-copy bestseller *The Shack* comes a captivating new novel destined to be one of the most talked-about books of the decade. Eve is a bold, unprecedented exploration of the Creation narrative, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional beliefs about who we are and how we ’ re made. Eve opens a refreshing

conversation about the equality of men and women within the context of our beginnings, helping us see each other as our Creator does—complete, unique, and not constrained by cultural rules or limitations. When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken, frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers that her genetic code connects her to every known race. No one would guess what her survival will mean... No one but Eve, Mother of the Living, who calls her “ daughter ” and invites her to witness the truth about her own

story—indeed, the truth about us all. As *The Shack* awakened readers to a personal, non-religious understanding of God, Eve will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden. Thoroughly researched and exquisitely written, Eve is a masterpiece that will inspire readers for generations to come.

Glorious Truths About Mother Eve Simon and Schuster

What Would You Do If a Secret Was Causing Your Family to Crumble? Is there a secret terrible enough that it should never be revealed, not even if it was tearing a family apart? For more than five decades Emma Bauer has kept one--carefully guarding it with all her strength, and for more than five decades that choice has haunted her life and also the lives of her daughters and

granddaughter. Is it too late for wrongs to be righted? Does Emma even have the strength to let the healing power of truth work in her family? The story of four generations of women and the powerful effects that their choices have had on their lives is at the heart of *Eve's Daughters*, an epic novel from author Lynn Austin. Grand in scope but tender and personal at the same time, it will please you as a fan of contemporary or historical fiction. Exploring times from World War I to the 1980s, *Eve's Daughters* is an insightful look at mothers, daughters, sisters, and families that allows you to see a little bit of yourself through the characters' triumphs, struggles, and hard-tested faith. Yearning for love, dignity, and freedom, the four generations of women must come to terms with the choices they have made. Healing comes when the past is forgiven but only when they embrace God's forgiveness can they shatter the cycle that has ruled their lives over the decades. #### Finding Eve Harper Collins

The story of Eve does not end in the Garden of Eden, nor does the example we can draw from her experience. In this companion volume to *Eve and the Choice Made in Eden*, Beverly Campbell examines the lessons from Eve's mortal journey and suggests practical applications for our own paths and choices in life. The book includes chapters on seeking a personal connection with God,

applying the principles of the Plan of Happiness on a daily basis, defining and working within the seasons of our lives, coping with inevitable trials, giving and receiving love, and creating sacred spaces where our souls can be nurtured. **All About All About Eve Seal Press**

Retells, in illustrations and simple text, the biblical story of Genesis, from the creation of light through the expulsion from Eden.

#### The Courage of Eve Charisma Media

Eve Sumptor is back. This time she is facing her toughest opponent yet. Herself. After a passionate affair, Eve Sumptor and Lainey Stanton had difficult choices to make. One chose fear, the other gave in to guilt. As the consequences of those decisions begin to come to light, both women must find a new direction. Will their paths once again come together? Or have they missed their chance? You met Eve and Lainey in *Something About Eve*. You watched them suffer in *Flawed Perfection*. You've followed Eve's therapy sessions online. Now, see where every decision leads the two women. Were they meant to be together? Or will life keep tearing them apart? *First Book of Adam and Eve* Doubleday Children's A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you

study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

#### **EVE Universe: The Art of New Eden** Hachette UK

The powerful coming-of-age story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman Abby Stein was raised in a Hasidic Jewish community in Brooklyn, isolated in a culture that lives according to the laws and practices of eighteenth-century Eastern Europe, speaking only Yiddish and Hebrew and shunning modern life. Stein was born as the first son in a dynastic rabbinical family, poised to become a leader of the next generation of Hasidic Jews. But Abby felt certain at a young age that she was a girl. She suppressed her desire for a new body while looking for answers wherever she could find them, from forbidden religious texts to

---

smuggled secular examinations of faith. Finally, she orchestrated a personal exodus from ultra-Orthodox manhood to mainstream femininity—a radical choice that forced her to leave her home, her family, her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the enduring question: How far will you go to become the person you were meant to be?

*Eve in Hollywood* WestBow Press

Revealing over a decade of images created during the development of *EVE Online*, *DUST 514*, and *EVE: Valkyrie*--this is the ultimate look at the most massive and dynamic universe in video games! Created in close collaboration with the developers behind each game, this gorgeous full-color hardcover immerses readers in New Eden through hundreds of stunning, never-before-seen pieces of art. With in-depth commentary by CCP throughout, this is a must-have for any fan of science fiction, video games, or jaw-dropping visuals!

*Adam and Eve, God's First People* Zondervan

*Eve's Choice* is a book that describes salvation for you and I. It takes place from its birthplace, The Garden of Eden. We all have a choice

in which living for self or living life for Christ is a personal choice. Eve, the mother of all living, gives us a heritage. *Eve's Choice* walks us around the walls of the Garden of Eden and meets us at the Gates.

*Eve in Exile: The Restoration of Femininity*  
Harper Collins

Samuel ate ice-cream for the first time today, and now he's full of energy, refusing to put on his pajamas for bed. Intrigued by what his mom said about his original design to live without clothes, and a desire to hear more, he went with her to hear about the story of Adam and Eve, who like him, loved being without clothes; until one day, they sinned against God and their joy turned into shame. This book engages kids in the conversation and contrasts different aspects of Adam and Eve's choices with modern day kids and their parents.

*Adam and Eve and the Garden of Eden* The Church of Jesus Christ of Latter-day Saints

A New York Times Bestseller "I'll be forever changed by Dr. Eger's story...The Choice is a reminder of what courage

looks like in the worst of times and that we all have the ability to pay attention to what we've lost, or to pay attention to what we still have."—Oprah "Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well."

—Desmond Tutu, Nobel Peace Prize Laureate "Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal." —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in

1945. Edie spent decades struggling with flashbacks and survivor's guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she'd been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers. **Off Target** St. Martin's Press Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest

point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Eve and the Choice Made in Eden* Macmillan

"Endlessly illuminating and a sheer pleasure to read." —Jack Miles, author of *God: A Biography* Daring to take the great biblical account of human origins seriously, but without credulity The most influential story in Western cultural history, the biblical account of Adam and Eve is now treated either as the sacred possession of the faithful or as the butt of secular jokes. Here, acclaimed scholar Stephen Greenblatt explores it with profound appreciation for its cultural and psychological power as literature. From the birth of the Hebrew Bible to the awe-inspiring contributions of Augustine, Dürer, and Milton in bringing Adam and Eve to vivid life, Greenblatt unpacks the story's many

interpretations and consequences over time. Rich allegory, vicious misogyny, deep moral insight, narrow literalism, and some of the greatest triumphs of art and literature: all can be counted as children of our "first" parents.

**Havah Baker Books**

Should some secrets go to the grave? My name is Eve... But that is not my real name, rather it is the one given to me by Annaliese when she invited me into her goldern world. It was all I had ever longed for - a life of easy luxury and glamorous intentions - with beautiful people as my friends. Yet even the best party must eventually end, and this one ended in a storm of tragedy and bitter betrayal. Overnight, my perfect life was exposed for the lie it was ... and so I ran, as far and as fast as I could. Now an irresistible urge is summoning me back from my lonely exile, to attend one last party - Annaliese's farewell bash. Maybe I will find the resolution I seek, or maybe I will only find more heartbreak and deceit. And always the same question begs to be answered. Should some secrets go to the grave? The Book of Eve is a sumptuous and sophisticated tale of

---

friendship, love, and betrayal amongst the rich and beautiful. With overtones of the glamour of the 1920s and echoes of the Great Gatsby, this is a beautiful and clever read which will envelop you in the world of Eve and her friends.

**Becoming Eve** Dark Horse Comics

Life can be hard, cold, and painful. Or it can be pleasant, warm, and rewarding. The consequences of the choices we make in life determine which way it will be. We can't control many of life's events, but we can control how we deal with them. Our responsibility is to build a successful life in a world of confusion, pain, and disorientation. In *Choices: Responsible Decisions for a Godly Life*, author Dr. Robert F. Kirk explains that each of us is responsible for the outcome of our life. The individual choices we make in life determine what we will become. Kirk discusses the natural and spiritual choices that determine our success or failure, and he recommends the Book of Proverbs as a guide for Godly wisdom to assist us in those decisions. The Book of Proverbs, a powerful book that provides instruction and guidance, instructs us to partner with God in our choices using His wisdom. We don't have to travel the road of life alone. However, we must make our own choices and we need to choose wisely to be

successful. Choices:

*Responsible Decisions for a Godly Life* will help you make a plan for wise decisions in your life.

*Temple Reflections: Insights into the House of the Lord* LA CASE Books

Pregnancy and childbirth are not to be feared; they are divinely appointed processes that can be joyful, spiritual, and bring families closer to God. *The Gift of Giving Life: Rediscovering the Divine Nature of Pregnancy and Birth* offers something that no other pregnancy book has before—a spiritual look at pregnancy and birth by and for LDS women and other women of faith. Through moving stories of women in the scriptures, women from early Latter-day Saint history, and dozens of modern mothers, *The Gift of Giving Life* assures readers that God cares deeply about the entire procreative process. *The Gift of Giving Life* does not advocate for any one type of birth or approach to prenatal care, rather it intends to unify our families and communities in regard to the sacredness of birth. We also aim to provide you with resources, information, and inspiration that you may not have had access to all in one place before. Topics covered include: constant nourishment, meditation, fear, pain, healing from loss, the physical and spiritual ties between the Atonement and childbirth, the role of the Relief Society in postpartum recovery and more. Birthing women, birth

attendants, childbirth educators, and interested readers of all faiths are invited to rediscover within these pages the divinity and gift of giving life.

**Eve's Daughters**

Zondervan

The swooning Victorian ladies and the 1950s housewives genuinely needed to be liberated. That much is indisputable. So, First-Wave feminists held rallies for women's suffrage. Second-Wave feminists marched for Prohibition, jobs, and abortion. Today, Third-Wave feminists stand firmly for nobody's quite sure what. But modern women—who use psychotherapeutic antidepressants at a rate never before seen in history—need liberating now more than ever. The truth is, feminists don't know what liberation is. They have led us into a very boring dead end. *Eve in Exile* sets aside all stereotypes of mid-century housewives, of China-doll femininity, of Victorians fainting, of women not allowed to think for themselves or talk to the men about anything interesting or important. It dismisses the pencil-skirted and stiletto-

---

heeled executives of TV, the outspoken feminists freed from all that hinders them, the brave career women in charge of their own destinies. Once those fictionalized stereotypes are out of the way--whether they're things that make you gag or things you think look pretty fun--Christians can focus on real women. What did God make real women for?

The Life of Adam and Eve in Greek AuthorHouse

"In the stunning conclusion to Anna Carey's thrilling dystopian trilogy, Eve has the fate of The New America in her hands"--

Eve Believed WestBow Press

Six interlinked short stories that follow Evelyn Ross - the character from Amor Towles's bestselling novel Rules of Civility - to Hollywood in 1938.

'Impossibly glamorous' The Times 'Achingly stylish' Guardian Near the end of RULES OF CIVILITY, the fiercely independent Evelyn Ross boards a train from New York to Chicago to visit her parents, but never disembarks. Six months later, she appears in a photograph in a gossip magazine exiting the

Tropicana Club on Sunset Boulevard on the arm of Olivia de Havilland. In this chain of six richly detailed and atmospheric stories, each told from a different perspective, Towles unfolds the events that take Eve to the heart of old Hollywood. Beginning in the dining car of the Golden State Limited in September 1938, we follow Eve to the elegant rooms of the Beverly Hills Hotel, the fabled tables of Antonio's, the amusement parks on the Santa Monica piers, the afro-Cuban dance clubs off Central Avenue, and ultimately the set of Gone with the Wind. With the glamour and grit of the studio system's golden age as a backdrop, Towles introduces in each story a memorable new character whose fate may well be altered by their encounter with Eve. But in following the thread of these varied encounters, we also watch as Eve forges a new and unexpected life for herself in late 1930s Los Angeles. Eve and the Mortal Journey Simon and Schuster When a one-night stand leads to a long-desired pregnancy, Susan will do anything to ensure her husband won't find out ... including the unthinkable. But when something horrendous is unleashed around the globe, her secret

isn't the only thing that is no longer safe... \_\_\_\_\_

\_\_\_\_\_ A longed-for baby An unthinkable decision A deadly mistake In an all-too-possible near future, when genetic engineering has become the norm for humans, not just crops, parents are prepared to take incalculable risks to ensure that their babies are perfect ... altering genes that may cause illness, and more... Susan has been trying for a baby for years, and when an impulsive one-night stand makes her dream come true, she'll do anything to keep her daughter and ensure her husband doesn't find out ... including the unthinkable. She believes her secret is safe. For now. But as governments embark on a perilous genetic arms race and children around the globe start experiencing a host of distressing symptoms – even taking their own lives – something truly horrendous is unleashed. Because those children have only one thing in common, and people are starting to ask questions... Bestselling author of The Waiting Rooms, Eve Smith returns with an authentic, startlingly thought-provoking, disturbing blockbuster of a thriller that provides a chilling glimpse of a future that's just one modification
