Nothing is more essential than knowing how to worship the God who created us. This book focuses readers on the essentials of God-honoring worship, combining biblical foundations with practical application in a way that works in the real world. The author, a pastor and noted songwriter, skillfully instructs pastors, musicians, and church leaders so that they can root their congregational worship in unchanging scriptural principles, not divisive cultural trends. Bob Kauflin covers a variety of topics such as the devastating effects of worshiping the wrong things, how to base our worship on God's self-revelation rather than our assumptions, the fuel of worship, the community of worship, and the ways that eternity's worship should affect our earthly worship. Appropriate for Christians from varied backgrounds and for various denominations, this book will bring a vital perspective to what readers think they understand about praising God.

Wolf Appeal Series HarperCollins

ALPHA TURNED (Book 1) Not all men are bad... Strong, independent, and happy on her own, Hillary has grown from the naïve person she was four years ago after a brutal rape turned her into a werewolf. The normal life she's made for herself is only upset once a month when the moon calls to her and she has an uncontrollable urge to turn furry and chase small creatures. And she doesn't need a man for that. Until she finally meets another werewolf, this one a gorgeous, sexy guy who is determined to change her mind about one furry man in particular—him. No, some men are very, very good... The minute Zach scents Hillary he knows she's the mate he's been searching for. Though both the wolf and the man are itching to claim her, first he has to convince her that he's one of the good guys, and that there are certain benefits to being an alpha werewolf. And there's no better way of making Hillary see that, than giving her himself—body, mind, and soul. CHALLENGE ACCEPTED (Book 2) Since being turned into a werewolf, Adam has been a loner. Practically a hermit. Okay, actually a hermit. When the local wolves and werewolves start experiencing weird behavior, he can't resist the pull to step up and see if he can help. And runs smack into trouble in the form of the werewolves' National President. Myra's term as President is nearly over, but she's determined to track down the wolf who was attacked, and turned against his will. When she meets Adam, she only wants to help him live a full and happy life. Then she sees him naked. And gets to know him. And decides she wants a lot more for him than to just escape his lonely cabin in the woods. GOING DEEPER (Book 3) The opportunity to be one of the first members of a brand new werewolf pack is an exciting adventure for lifestyle blogger Cindy McCarthy. With her best friend by her side, she's ready for anything. Jonas visits New Mexico to see this brand new pack in action and make sure it's a good home for his parents to retire to. Instead, he finds Cindy, and suddenly the visit takes on a whole new purpose. He's almost certain she's his mate, meant to be his forever. Opening their souls to each other is only the beginning. They'll need to navigate setting up a new life together, with a new pack. One that has old dramas to put to bed and new relationships to forge. If Alicante can come together as a pack—a family—they all might survive the adventure intact.

An Instant New York Times Bestseller A New York Times Notable Book One of Barack Obama's Favorite Books of 2020 Named One of the Best Books of the Year by: The Washington Post, NPR, Shelf Awareness, Esquire, Electric Literature, Slate, The Los Angeles Times, USA Today, and InStyle A chillingly personal and exquisitely wrought memoir of a daughter reckoning with the brutal murder of her mother at the hands of her former stepfather, and the moving, intimate story of a poet coming into her own in the wake of a tragedy At age nineteen, Natasha Trethewey had her world turned upside down when her former stepfather shot and killed her mother. Grieving and still new to adulthood, she confronted the twin pulls of life and death in the aftermath of unimaginable trauma and now explores the way this experience lastingly shaped the artist she became. With penetrating insight and a searing voice that moves from the wrenching to the elegiac, Pulitzer Prize-winning poet Natasha Trethewey explores this profound experience of pain, loss, and grief as an entry point into understanding the tragic course of her mother’s life and the way her own life has been shaped by a legacy of fierce love and resilience. Moving through her mother’s history in the deeply segregated South and through her own girlhood as a “child of miscegenation” in Mississippi, Trethewey plumbs her sense of dislocation and displacement in the lead-up to the harrowing crime that took place on Memorial Drive in Atlanta in 1985. Memorial Drive is a compelling and searching look at a shared human experience of sudden loss and absence but also a piercing glimpse at the enduring ripple effects of white racism and domestic abuse. Animated by unforgettable prose and inflected by a poet’s attention to language, this is a luminous, urgent, and visceral memoir from one of our most important contemporary writers and thinkers.
